whether it be one or more persons, firms, associations, corporations, or other legal entities, of fee simple title to any Lot, situated upon the Property, but, notwithstanding any applicable theory of a mortgage, shall not mean or refer to the Mortgagee or holder of a security deed, its successors or assigns, unless and until such Mortgagee or holder of a security deed has acquired title pursuant to foreclosure or a proceeding or deed in lieu of foreclosure; nor shall the term "Owner" mean or refer to any lessee or tenant of an Owner. In the event that there is recorded in the office of the Recorder, a long-term contract of sale covering any Lot within the Property, the Owner of such Lot shall be the purchaser under said contract and not the fee simple title holder. A long-term contract of sale shall be one where the purchaser is required to make payments for the property for a period extending beyond twelve (12) months from the date of the contract, and where the purchaser does not receive title to the property until such payments are made although the purchaser is given the use of said property. The Developer may be an Owner.

1.19 Property. The "Property" shall mean and refer to the real property described in Section 2.01 hereof, and additions thereto, which is subjected to this Declaration or any supplemental declaration under the provisions hereof.

1.20 Record or To Record. "Record" or "To Record" shall mean to record pursuant to the laws of the State of Tennessee relating to the recordation of deeds and other instruments conveying or affecting title to real property.

1.21 Recorder. "Recorder" shall mean and refer to the Register of Deeds of Hamilton County, Tennessee.

ARTICLE II  
PROPERTIES, COMMON PROPERTIES AND  
IMPROVEMENTS THEREON

2.01 Property. The covenants and restrictions set forth in this Declaration, as amended from time to time, are hereby imposed upon the real property located in Hamilton County, Tennessee and more particularly described on Exhibit A attached hereto and additions or amendments thereto, which shall hereafter be held, transferred, sold, conveyed, used, leased, occupied and mortgaged or otherwise encumbered subject to the Declaration. Additionally, any easements on any real property retained by or granted to the Developer or the Association for the purpose of erection and maintenance of streets, entrance signs or street lights, or landscaping and maintenance thereof, shall also be considered Property and subject to these Covenants. Every person

BOOK 4741 PAGE 60

who is or shall be a record Owner shall be deemed by the taking of such record title to agree to all the terms and provisions of this Declaration.

**2.02 Association.** The Developer has caused the Association to be formed and incorporated under the laws of Tennessee for the purpose of carrying on one or more of the functions of a homeowners' association including, but not limited to, exercising all the powers and privileges and performing all the duties and obligations set forth in this Declaration. Every person who is an Owner is and shall be a Member of the Association as more particularly set forth in the By-Laws of the Association.

**2.03 Additions to Property.** Additional lands may become subject to, but not limited to, this Declaration in the following manner:

(a) **Additions.** The Developer, its successors, and assigns, shall have the right, without further consent of the Association, to bring within the plan and operation of this Declaration additional properties in future stages of the Development beyond those described in Exhibit A so long as they are contiguous with then existing portions of the Development. For purposes of this paragraph, contiguity shall not be defeated or denied where the only impediment to actual "touching" is a separation caused by a road, right-of-way or easement, and such shall be deemed contiguous. The additions authorized under this Section shall be made by filing a Supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the covenants and restrictions of this Declaration to such additional property after which it shall fall within the definition of Property as herein set forth.

The Supplementary Declaration may increase or decrease the minimum square foot requirements for a Dwelling Unit and contain such other complementary additions and/or modifications of the covenants and restrictions contained in this Declaration as may be necessary or convenient, in the sole judgment of the Developer, to reflect the different character, if any, of the added properties and as are not inconsistent with this Declaration, but such modifications shall have no effect on the Property as described in Section 2.01 above.

(b) **Other Additions.** Upon approval in writing of the Association pursuant to seventy-five percent (75%) of the vote of those present in person or by proxy at a duly called meeting, the Owner of any property (other than Developer) who desires to add it to the plan of these Covenants and to subject it to the

BOOK 4741 PAGE 61

jurisdiction of the Association, may file or record a Supplementary Declaration of Covenants and Restrictions with respect to the additional property which shall extend the operation and effect of the covenants and restrictions of the Declaration to such additional property.

The Supplementary Declaration may contain such complementary additions and/or modification of the covenants and restrictions contained in this Declaration as may be necessary or convenient, in the sole judgment of the Association, to reflect the different character, if any, of the added properties and as are not inconsistent with the plan of this Declaration, but such modification shall have no effect on the Property described in Section 2.01 above.

(c) Separate Associations. For any additional property subjected to this Declaration pursuant to the provisions of this Section, there may be established by the Developer an additional association limited to the Owners and/or residents of such additional property in order to promote their social welfare, including their health, safety, education, culture, comfort, and convenience, to elect representatives on the Board of the Association, to receive from the Association a portion, as determined by the Board of Directors of the Association, of the annual assessments levied pursuant hereto and use such funds for its general purposes, and to make and enforce rules and regulations of supplementary covenants and restrictions, if any, applicable to such additional lands.

2.04 Mergers. Upon a merger or consolidation of the Association with another association, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or, in the alternative, the properties, rights and obligations may, by operation of law, be added to the properties of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants and restrictions established by this Declaration.

2.05 Common Properties and Improvements Thereon. The Developer will install initially the streets and one or more entrance signs to the Development. The streets and signs shall become part of the Common Properties when the Developer conveys them to the Association, at which time the Association shall become responsible for the operation, maintenance, repair and replacement of the streets and signs. Alternatively, the Developer may transfer and convey the streets to Hamilton County and dedicate them as public streets. The Developer may also landscape the entrance areas (whether privately or publicly owned) and other

BOOK 4741 PAGE 62

areas where it may or may not have reserved an easement. These areas shall become Common Properties when conveyed to the Association and the Association shall then become responsible for maintenance of the landscaped areas. Additionally, the Developer will install a pool, a pool house, one or more ponds, street lights and/or street signs which likewise will become Common Properties when conveyed to the Association. The Developer and the Association may add additional Common Properties from time to time as they see fit. The Common Properties shall remain permanently as streets and open space except as improved, and there shall be no subdivision of same, except as otherwise provided herein. No building, structure or facility shall be placed, installed, erected, or constructed in or on the Common Properties unless it is purely incidental to one or more of the uses above specified. The Developer may reserve to itself or its designees the exclusive use of the pool house as a sales office and any other areas as storage areas or construction yards as may be reasonably required, convenient or incidental to the sale of Lots and/or the construction improvements on the Common Properties.

ARTICLE III  
COVENANTS, USES AND RESTRICTIONS

3.01 Application. It is expressly stipulated that the Restrictive Covenants and conditions set forth in this Article III apply solely to the Property described in Exhibit A, which Property is intended for use as single-family residential Lots only. These Restrictive Covenants and Conditions are not intended to apply to any other lots, tracts or parcels of land in the area or vicinity, owned by the Developer. Specifically, the Developer, its successors or assigns, reserve the right to use or convey such other lots, tracts and parcels with different restrictions.

3.02 Residential Use.

A. All of the Lots in the Development shall be, and be known and described as, residential lots, and no structure shall be erected, altered, placed or permitted to remain on any Lot other than as provided in these Covenants and Restrictions and in supplements hereto, or except as provided for in a deed of conveyance from the Developer.

B. "Residential," refers to a mode of occupancy, as used in contradistinction to "business" or "commercial" or "mercantile" activity and, except where otherwise expressly provided, "residential" shall apply to temporary as well as permanent uses, and shall apply to vacant Lots as well as to buildings constructed thereon.

BOOK 4741 PAGE 63

C. No Lot may be used as a means of service to business establishments or adjacent property, including but not limited to supplementary facilities or an intentional passageway or entrance into a business or another tract of land, whether or not a part of the Property, unless specifically consented to by Developer or the Board in writing.

3.03 No Multi-Family Residences, Business, Trucks. No residence shall be designed, patterned, constructed or maintained to serve, or for the use of more than one single family, and no residence shall be used as a multiple family Dwelling Unit at any time, nor used in whole or in part for any business service or activity, or for any commercial purpose; nor shall any Lot be used for business purposes, or for trucks or other equipment inconsistent with ordinary residential uses. No panel, commercial or tractor trucks shall be habitually parked in driveways or overnight on streets in front of any of the Lots. Nothing contained herein shall prohibit the Developer or the Association from permitting, maintaining, or operating concessions or vending machines on the Common Properties.

3.04 Minimum Square Footage. No single-family detached Dwelling Unit shall be erected or permitted to remain in the Property unless it has the number of square feet of enclosed living area measured from the exterior walls, exclusive of open porches or screened porches, carports, garages or basements, set forth in this section. For the purposes of this section, stated square footage shall mean the minimum floor area required, and floor area shall mean the finished and heated living area contained within the residence, exclusive of open porches, garages, and steps. In the case of any question as to whether a sufficient number of square feet of enclosed living area have been provided, the decision of the Developer or the Architectural Review Committee shall be final. The minimum number of square feet required may vary from phase to phase. The minimum number of square feet for each phase shall be set forth on the recorded plat for each phase. The minimum number of square feet required in each phase is as follows:

(i) A single-level home shall contain not less than 2,800 square feet;

(ii) A story and half level home shall contain not less than 2,900 square feet; and

(iii) A two-level home shall contain not less than 3,000 square feet.

3.05 Set-backs. No building shall be erected on any Lot nearer than the Architectural Review Committee may, in its

BOOK 4741 PAGE 64

discretion, establish for each Lot, which may not be consistent from Lot to Lot. For the purposes of this covenant, steps and open porches shall not be considered as a part of the building, providing, however, this shall not be construed to permit any portion of the building on the Lot to encroach upon another Lot. No provision of this paragraph shall be construed to permit any structure to be constructed and erected upon any Lot that does not conform to the zoning laws and regulations applicable thereto; provided, however, that for good cause shown, an Owner may petition the Developer or the Architectural Review Committee for a variance from such set-back requirements. If the Developer or the Architectural Review Committee grants such petition, the Developer or the Association will not oppose such Owner's attempt to obtain a variance from applicable zoning laws and regulations.

3.06 Rearrangement of Lot Lines. Not more than one Dwelling Unit shall be erected or maintained on any one Lot. With the written approval of the Developer or the Board, contiguous Lots may be combined if the Lots have the same Owner, for the purpose of erecting an approved Dwelling Unit thereon; however, the assessments provided for herein will continue to be based upon the number of original Lots purchased. Except as provided in Section 3.40, Lots may not be resubdivided so as to create a smaller area than originally deeded to a Lot Owner and as shown on the subdivision plat.

3.07 Temporary Structures. No part of any Lot shall be used for residential purposes until a completed Dwelling Unit, conforming fully to the provisions of these Restrictive Covenants, shall have been erected thereon. The intent of this section is to prevent the use thereon of a garage, incomplete structure, trailer, barn, tent, outbuilding or other structure as temporary living quarters before or pending the erection of a permanent building. No structure of temporary character, including trailers and similar structures, shall be erected or permitted to remain on any Lot except during the period of construction. No house may be moved from another location to any Lot in this Development.

Neither the foregoing nor any other section of this Declaration shall prevent the Developer or any builder approved by the Developer from constructing a house for use as a model home that may contain office-type furniture and be used for conducting the business of either selling that house or other houses within the Development, nor shall the foregoing or any other section of this Declaration prevent the Developer from designating a Lot or Lots from time to time for the temporary placement of a trailer or other suitable structure for use as an office and/or sales center by the Developer and/or approved builders at the sole discretion of the Developer.

BOOK 4741 PAGE 65

**3.08 Rainwater Drainage.** All side and rear property lines are dedicated drainage easements and may be used for drainage. Each Lot must be graded so as not to obstruct these easements. All drainage should be directed to these easements, and these easements must be graded so water flows to the street or to an adjoining drainage easement.

**3.09 Utility Easement.** A perpetual easement is reserved on each Lot, as shown on the recorded plat, for the construction and maintenance of utilities such as electricity, gas, water, sewerage, drainage, etc., and no structure of any kind shall be erected or maintained upon or over said easement.

**3.10 Frontal Appearance.** All Dwelling Units shall have conventional and acceptable frontal appearance from the main street fronting said Lots which shall be subject to the approval of the Developer or Architectural Review Committee as provided in Section 4.01 C.

**3.11 Building Requirements.** All buildings or structures of any kind constructed on any Lot shall have full masonry foundations and chimneys, and no exposed block, concrete or plastered foundations shall be exposed to the exterior above grade level. The exterior of the front and at least two sides of each Dwelling Unit must be covered with stone, brick, sto, or combination thereof. Any other materials must be approved in writing by the Developer or the Architectural Review Committee. All exposed concrete block or poured concrete foundations and retaining walls must be covered with stone, brick, or sto to complement the house. All sheet metal work (roof caps, flashings, vents, chimney caps) must be painted to match the roof. Gutters and downspouts must be painted in approved colors. All roof stacks and plumbing vents must be placed on rear slopes of roofs; provided, however, that for good cause shown, the Developer or the Architectural Review Committee may make exceptions as to the placement of such roof stacks and plumbing vents. Any swimming pool must be approved by the Developer or Architectural Review Committee prior to the commencement of the construction. Above ground level pools are not permitted. When a Dwelling Unit will have a rear exterior that faces Common Property or a street, then the finish of the rear exterior must be the same as the front and side exteriors thereof, and the rear exterior must be designed to look like the front of the Dwelling Unit.

**3.12 Fences.** No fences will be allowed on any Lot without the prior written consent of the Developer or the Architectural Review Committee. Wire or chain link fences are prohibited. All wood fences must be painted. All proposed fences

BOOK 4741 PAGE 66

must be submitted to the Developer or the Architectural Review Committee showing materials, design, height and location.

**3.13 Driveways.** Each Dwelling Unit constructed upon a Lot must be served by a driveway constructed of hard surface materials such as concrete, brick, exposed aggregate, or pre-cast pavers. No driveway shall be constructed on any Lot nearer than one (1) foot to any Lot line. All other hard surface materials must be approved by the Developer or the Architectural Review Committee. Where a Lot borders on more than one street, the Lot shall be entered from the secondary street. It shall be obligatory upon all owners of Lots in this subdivision to construct or place any driveways, culverts, or other structures, or gradings, which are within the limits of any dedicated roadways, in strict accordance with the specifications therefor, as set forth on the recorded subdivision plat, in order that the roads or streets, which may be affected by such placement or construction, may not be disqualified for acceptance into the road system of Hamilton County, Tennessee.

**3.14 Curbs.** No permanent cuts may be made in the curbs for any purpose other than driveways. Curb cuts shall be made with a concrete saw at the curb and along the gutter. Irregular cuts using sledge hammers and the like are prohibited. Driveways shall be added so as to form a smooth transitional surface with the remaining curb at locations where the approved driveway locations meet the street. Damaged curbs shall be replaced by the Owner of the adjoining Lot unless the damage is caused by another who causes the damage to be corrected. Notwithstanding the foregoing, nothing herein shall permit any curb cuts where such cuts are prohibited by any applicable city, county or state regulation, ordinance or law.

**3.15 Signs.** One sign offering the Lot and/or Dwelling Unit for sale and one sign reflecting the name of the builder may be placed upon a Lot. Such sign must be in form approved by the Developer or Architecture Review Committee. No other signs shall be erected or maintained on any Lot, except in accordance with approved standards for signs as set by the Developer or the Architectural Review Committee.

**3.16 Service Area.** Each Dwelling Unit shall provide an area or areas on the rear or side yard of the Lot to accommodate air conditioner compressors, garbage cans, the electrical service entrance, or other ancillary residential functions that by nature may present an unsightly appearance. Service areas shall be convenient to the utility services and screened from view by an enclosure that is an integral part of the site development plan, using materials, colors or landscaping that are harmonious with the home it serves.

BOOK 4741 PAGE 67

3.17 Garages. Each Dwelling Unit shall have at least a double-car garage constructed at the same time as the Dwelling Unit. Detached garages will be allowed only with written approval from the Developer or the Architectural Review Committee. No carports will be permitted. No garage door may face the street upon which the Dwelling Unit fronts. The inside walls of garages must be finished. Garage doors may not be allowed to stand open.

3.18 Landscaping. A landscape plan shall accompany every new home application submitted to the Developer or the Architectural Review Committee for approval. If a Dwelling Unit has a rear exterior which faces Common Property, another Lot or street, the Architectural Review Committee may require the placement of up to two (2) inch, three (3) inch, or four (4) inch caliper trees in the rear of the Lot to provide cover for the Dwelling Unit. Landscaping in accordance with the approved landscape plan must be substantially completed within one year after commencement of construction of the house. Shrubbery plantings adjacent to roadways and sidewalks shall not impede the vision of vehicle operators.

3.19 Windows. Materials to be used in windows and glass doors must be approved by the Developer or the Architectural Review Committee. All windows on the front of a Dwelling Unit must have a muntin pattern. No screens visible from the street are permitted on windows. Metal and vinyl windows are not permitted, nor are aluminum awnings permitted. However, clad windows will be permitted, provided such windows have a brickmould surrounding them.

3.20 Animals. No poultry, livestock or animals shall be allowed or maintained on any Lot at any time except that the keeping of dogs, cats or other household pets is permitted, providing that nothing herein shall permit the keeping of dogs, cats, or other animals for commercial purposes. Pet owners shall not allow pets to roam unattended. The pet owners shall also muzzle any pet which consistently barks. If the barking persists, the pet owner shall have the pet removed from the Development. If the pet owner refuses, it shall be deemed an "offensive activity".

3.21 Zoning. Whether expressly stated so or not in any deed conveying any one or more of said Lots, each conveyance shall be subject to existing governmental zoning and subdivision ordinances or regulations in effect thereon.

3.22 Unightly Conditions. All of the Lots in the Development must, from the date of purchase, be maintained by the Owner in a neat and orderly condition (grass being cut when needed, as well as leaves, broken limbs, dead trees, and other debris being

BOOK 4741 PAGE 68

removed when needed). Tree limbs, rocks and other debris must be kept out of the streets. In the event that an Owner of a Lot in the Development fails, of his own volition, to maintain his Lot in a neat and orderly condition, Developer, or its duly appointed agent, or the Board, or its duly appointed agent, may enter upon said Lot without liability and proceed to put said Lot into an orderly condition, billing the Owner two hundred fifty percent (250%) of the cost of such work. All Owners in the Development are requested to keep cars, trucks and delivery trucks off the curbs of the streets. Existing homes must be maintained in good repair, including being painted when necessary. Plant beds must be kept weed free.

3.23 Offensive Activity. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance, discomfort, embarrassment or nuisance to the Development.

3.24 No Detached Buildings. There shall be no detached garages, outbuildings or servants quarters, without the prior written consent of the Developer or the Architectural Review Committee.

3.25 Sewage Disposal. Before any Dwelling Unit on a Lot shall be occupied, a connection with the municipal sewer system meeting applicable municipal codes shall be made. There shall not be erected, permitted, maintained or operated on any Lot any privy, cesspool, vault or septic system without written approval from the Developer or the Board.

3.26 Permitted Entrances. In order to implement and effect insect, reptile and woods fire control, and to maintain unsightly Lots, the Developer or the Board, or their respective agents, may enter upon any Lot on which a Dwelling Unit has not been constructed and upon which no landscaping plan has been implemented, such entry to be made by personnel with tractors or other suitable devices, for the purpose of mowing, removing, clearing, cutting or pruning underbrush, weeds or other unsightly growth, which in the opinion of the Developer or the Board detracts from the overall beauty, setting and safety of the Property or Lots. Such entrance for the purpose of mowing, cutting, clearing or pruning shall not be deemed a trespass. The Developer and its agents or the Board and its agents may likewise enter upon a Lot to remove any trash which has collected on said Lot without such entrance and removal being deemed a trespass. The provisions of this section shall not be construed as an obligation on the part of the Developer and its agents or the Board and its agents to mow, clear, cut or prune any Lots or to provide garbage or trash removal services. Expenses incurred for any of the foregoing shall be

BOOK 4741 PAGE 69

chargeable to and recoverable from the Owner of the Lot upon which such work is done.

3.27 Tree Removal. No live trees or shrubs having a diameter greater than six (6) inches shall be removed prior to obtaining approval of the Developer or the Architectural Review Committee. Any Owner who, without having obtained approval from the Developer or the Architectural Review Committee, cuts down or who allows to be cut down any tree having a diameter of six (6) inches or greater shall be liable to the Association for liquidated damages in the amount of One Thousand and No/100 Dollars (\$1,000.00) for each tree so cut. The majority of the trees may not be removed from any Lot except in the area of the Lot upon which the house and driveway are to be constructed. Except for view enhancement, excessive removal of trees will be deemed to be a nuisance to the adjoining neighbors and will mar the beauty of the Development.

3.28 Tanks and Garbage Receptacles, Tree Houses and Swings. No fuel tanks or similar storage receptacles may be exposed to view, and such tanks or receptacles may be installed only within a Dwelling Unit, within a screened area or buried underground. All garbage and trash containers must be placed in enclosed areas of the rear or side yard and must not be visible from adjoining Lots, houses, or from any street. No tree houses may be built or maintained on the Lot, and no swingsets, other than wooden swingsets, will be permitted to be installed on a Lot, the location of which must be approved by the Developer or the Architectural Review Committee.

3.29 Wells. No private wells may be drilled or maintained on any Lot without the prior written consent of the Developer or the Architectural Review Committee.

3.30 No Antennas. No television antenna, dish, radio receiver or sender or other similar device shall be attached to or installed on the exterior portion of any Dwelling Unit or other structure on the Property or any Lot within the Development without the prior written consent of the Developer or the Architectural Review Committee; nor shall radio, television signals, nor any other form of electromagnetic radiation be permitted to originate from any Lot which may unreasonably interfere with the reception of television or radio signals upon any other of such properties. Notwithstanding the foregoing, the provisions of this section shall not prohibit the Developer from installing equipment necessary for a master antenna system, security system, cable television, mobile radio system or other similar systems within the Development nor prohibit Developer or the Architectural Review Committee from

BOOK 4741 PAGE 70

approving the installation of a satellite dish no more the eighteen (18) inches in diameter at a approved location on the Lot.

**3.31 Excavation.** No owner shall excavate or extract earth from any of the Lots subject to this Declaration for any business or commercial purpose. No elevation changes shall be permitted which will materially affect the surface grade of a Lot unless the consent of the Developer or the Architectural Review Committee is obtained.

**3.32 Sound Devices.** No exterior speaker, horn, whistle, bell or other sound device which is unreasonably loud or annoying, except security devices used exclusively for security purposes, shall be located, used, or placed upon Lots within the Development. The playing of loud music from any balconies or porches shall be offensive, obnoxious activity constituting a nuisance.

**3.33 Laundry.** No Owner, guest, or tenant, shall hang laundry from any area within or outside a Dwelling Unit if such laundry is within the public view, or hang laundry in full public view to dry, such as on balcony or terrace railings. This provision may, however, be temporarily waived by the Developer or the Board during a period of severe energy shortages or other conditions where enforcement of this section would create a hardship.

**3.34 Mailboxes.** The Developer will select a mailbox for use by all Homeowners, and each Lot must install such mailbox for use by the Homeowner.

**3.35 Duty to Rebuild or Clear and Landscape Upon Casualty or Destruction.** In order to preserve the aesthetic and economical value of all Lots within the Development, each Owner and Developer (with respect to improved Property owned by Developer) shall have the affirmative duty to rebuild, replace, repair, or clear and landscape, within a reasonable period of time, any building, structure, and improvement or significant vegetation which shall be damaged or destroyed by fire, or other casualty. Variations and waivers of this provision may be made only upon Developer or the Board establishing that the overall purpose of these Restrictive Covenants would be best effected by allowing such a variation. Variations to this section are to be strictly construed and the allowance of a variance by the Developer or the Board shall not be deemed to be a waiver of the binding effect of this section upon all other Owners.

**3.36 Vehicle Parking.** Cars owned by Lot Owners shall not be parked on the street, but shall be parked only in the Owner's garage or driveway. No inoperable vehicle, tractor or other

BOOK 4741 PAGE 72

privileges and powers: to subdivide Lots, to combine Lots or parts of Lots, to rearrange boundaries of Lots, to cause any part of any Lot to become a part of the Common Properties, and to cause portions of Common Property Lots to become a part of any of the Lots bordering them, provided that not more than 5,000 square feet of any one given Common Property Lot may be added to any one given Lot bordering it, and provided that not more than 5,000 total square feet of any one given Common Property Lot may be added to the Lots bordering it.

3.41 Lawn Care. All unimproved Lots (except those owned by the Development) and all improved Lots must be kept fully seeded with grass (except where other provisions hereof require sodding) and regularly fertilized, cut and weeded.

3.42 Roofs. Roof pitches must be a minimum of 9/12, unless otherwise approved by the Developer or the Architectural Review Committee. All roofs must be of architectural quality dimensional shingle shakes or slate unless otherwise approved in writing by the Developer or the Architectural Review Committee.

3.43 Fireplaces. All fireplace inserts must be capped with a shroud at the point where the flue reaches the top of the chimney.

3.44 Chimneys. Chimneys must be constructed of brick, sto or stone, and those chimneys on the exterior must have a foundation.

3.45 Adjoining Lot Damage. Any damage done to any adjacent or adjoining Lot or by a contractor employed to build improvements on any Lot will be repaired immediately at the expense of the Owner or contractor. Temporary construction support must be provided for the curbs and sidewalks by the Owner or contractor during the time of construction. All construction debris shall be removed weekly and the street must be kept clean during construction.

3.46 Material Quality. Only good quality materials and design will be accepted on any structure built on any Lot. No concrete blocks shall be used above the finished ground elevation of any structure unless said blocks are covered with brick veneer, stone or other material acceptable to the Developer or the Architectural Review Committee.

3.47 Air Conditioning and Heating Units. Air conditioning and heating units shall be architecturally screened or landscaped so as not to be visible from any street.

BOOK 4741 PAGE 73

3.48 Sidewalks. It is the obligation of each Lot Owner subsequent to Developer to install a sidewalk along lines of the Lot which front a road except in those cases in which a burn on his Lot fronts the road in accordance with Developer or Architectural Review Committee specifications by the time the Dwelling Unit is completed or within one (1) year from date of purchase of the Lot, whichever is earlier.

3.49 Sodding. Prior to occupancy of a Dwelling Unit, such portion of the Lot must be sodded as required by the Developer or Architectural Review Committee. Prior occupancy may be approved by the Developer or the Architectural Review Committee if weather conditions prohibit sodding.

3.50 Exterior Siding. All exterior siding must be approved in writing by the Developer or the Architectural Review Committee. All wood or masonite siding must have exposed laps six (6) inches. Dwelling Units using masonite siding on all exterior sides must be true lap siding and not artificial laps. Vinyl and aluminum sidings are prohibited.

3.51 No Waterway Use. No boat of any kind shall be permitted upon, nor shall any swimming be permitted in any pond on the Common Properties. No garbage, trash, or other refuse shall be dumped into any pond on the Common Properties. Owners will be assessed a \$500.00 fine for each violation of this provision in addition to assessments for the cost of removal.

3.52 Decks. All exterior wood decks which face Common Property, another Lot or street may be constructed with wrought iron rails, a brick, stone or other approved material in accordance with the requirements of the Developer or the Architectural Review Committee and if constructed with wood, the wood must be painted or stained.

3.53 Renting or Leasing. No Dwelling Unit may be rented or leased provided, however, a Dwelling Unit may be rented or leased for a period of up to six (6) months during any twenty-four (24) month period in order to facilitate the sale of the Dwelling Unit.

3.54 Violations and Enforcement. In the event of the violation, or attempted violation, of any one or more of the provisions of these Restrictive Covenants, the Developer, its successors or assigns, or the Association, its successors or assigns, including all parties hereinafter becoming Owners of any one or more of the Lots to which provisions of these Restrictive Covenants apply, may bring an action or actions against the Owner in violation, or attempting violation, and the said Owner shall be

further liable for such damages as may accrue, including any court costs and reasonable attorneys fees incident to any such proceeding, which costs and fees shall constitute liquidated damages. In the event of a violation of set-back lines, side, rear or front, which may be minor in character, a waiver thereof may be made by the Developer, its successors or assigns or the Board. Further, the Developer or the Board may grant variances of the restrictions set forth in these Restrictive Covenants if such variances do not, in the sole discretion of the Developer or the Board, adversely affect the purposes sought to be obtained hereby.

By reason of the rights of enforcement of the provisions of this section being given unto Owners of Lots (subject to rights of variances reserved by the Developer and the Board), it shall not be incumbent upon the Developer or the Board to enforce the provisions of these Restrictive Covenants or to prosecute any violation thereof. Developer shall not be responsible or liable for any violation of these Restrictive Covenants by any person other than itself.

ARTICLE IV  
ARCHITECTURAL CONTROL

4.01 Architectural and Design Review.

A. In order to preserve, to the extent possible, the natural beauty of the Property and its setting, to maintain a pleasant and desirable environment, to establish and preserve a harmonious design for the development, and to promote and protect the value of the Property, the Developer or the Board shall create a body of rules and regulations covering details of Dwelling Units, which shall be available for all Owners or prospective Owners of Lots.

B. The Developer shall have sole architectural and design reviewing authority for the Development until the Developer has sold all Lots. However, the Developer may, in its discretion, transfer architectural and design review authority to the Board when the Developer transfers governing authority to the Board in accordance with the Bylaws; provided, however, that prior to calling the meeting of the Association to elect a Board to succeed the Developer as provided in the Bylaws, the Developer may execute and record in the office of the Recorder a document stating that the Developer reserves unto itself, its successors, or assigns, the architectural and design reviewing authority provided in this Article, and stating that said reservation, notice of which is thus provided, shall survive the election of the Board to succeed the Developer. Thereafter, the Developer shall continue to exercise

BOOK 4741 PAGE 77

situation. In the event that two or more Lots are combined into a single Lot by an Owner, the assessments will continue to be based upon the number of original Lots purchased. In the event three or more Lots are combined into two or more Lots by an Owner, the assessments will continue to be based upon the number of original Lots, and if any original Lot is subdivided, the assessment on such original Lot shall be prorated between the Owner based upon the square footage owned by each Owner.

5.02 Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively to provide services to the Owners, promote the recreation, health, safety and welfare of the Owners and for the improvement and maintenance of the Common Properties.

5.03 Amount of Annual Assessment. Until the transfer of governing authority from the Developer to the Board takes place as described in the Bylaws, the amount of the annual assessments shall be set by the Developer at such amount as the Developer, in its sole discretion, deems appropriate to promote the recreation, health, safety and welfare of its Members. Thereafter, the amount of the annual assessments shall be set by the Board unless seventy-five percent (75%) of the Members who are in attendance or represented by proxy at the annual or any special meeting of the Association vote to increase or decrease the said annual assessment set by the Board. At any such meeting, the Developer shall have the number of votes as provided in the Bylaws.

5.04 Special Assessments for Improvements and Additions. In addition to the annual assessments, the Association may levy special assessments for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, or the cost of any addition to the Common Properties, provided that any such assessment shall have the assent of sixty-six and two-thirds percent (66 2/3%) of the vote of the Members who are in attendance or represented at a duly called meeting of the Association, written notice of which shall be sent to all Members at least thirty (30) days in advance setting forth the purpose of the meeting. At any such meeting, the Developer shall have the number of votes as provided in the Bylaws.

5.05 Property Subject to Assessment. Only land within the Property which has been subdivided into Lots, and the plats thereof filed for public record, shall constitute a Lot for purposes of these assessments.

BOOK 4741 PAGE 78

5.06 Exempt Property. No Owner may exempt himself from liability for any assessment levied against his Lot by waiver of the use or enjoyment of any of the Common Properties or by abandonment of his Lot in any other way.

The following property, individuals, partnerships or corporations, subject to this Declaration, shall be exempted from the assessment, charge and lien created herein:

- (a) The grantee of a utility easement.
- (b) All properties dedicated and accepted by a local public authority and devoted to public use.
- (c) All Common Properties as defined in Article I hereof.
- (d) All properties exempted from taxation by the laws of the State of Tennessee upon the terms and to the extent of such legal exemptions. This exemption shall not include special exemptions, now in force or enacted hereinafter, based upon age, sex, income levels or similar classification of the Owners.
- (e) Developer-owned Lots; provided, however, that until the Developer has sold at least fifty (50) Lots to non-exempt Owners, the Developer shall annually contribute to the Association an amount equal to the difference between the per-Lot annual assessment multiplied by fifty (50) and the per-Lot annual assessment multiplied by the number of non-exempt Lots as of the first day of January of the year that the annual assessments are due.

5.07 Date of Commencement of Annual Assessments.

A. The annual assessments provided for herein shall commence on the date (which shall be the first day of a month) fixed by the Developer to be the date of commencement. The Developer shall have the financial responsibility to physically maintain the Common Properties until the date of commencement of such assessments.

B. The amount of the first annual assessment shall be based pro rata upon the balance of the calendar year and shall become due and payable on the date of commencement. The assessments for any year after the first year shall become due and payable the first day of January of said year; however, the Board may authorize payment in four (4) equal quarterly payments.

BOOK 4741 PAGE 79

C. The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

5.08 Lien. Recognizing that the necessity for providing proper operation and management of the Properties entails the continuing payment of costs and expenses therefor, the Association is hereby granted a lien upon each Lot and the improvements thereon as security for the payment of all assessments against said Lot, now or hereafter assessed, which lien shall also secure all costs and expenses, and reasonable attorney's fees, which may be incurred by the Association in enforcing the lien upon said Lot. The lien shall become effective on a Lot immediately upon the closing of that Lot. The lien granted to the Association may be foreclosed as other liens are foreclosed in the State of Tennessee. Failure by the Owner or Owners to pay any assessment, annual or special, on or before the due dates set by the Association for such payment shall constitute a default, and this lien may be foreclosed by the Association.

5.09 Lease, Sale or Mortgage of Lot. Whenever any Lot may be leased, sold or mortgaged by the Owner thereof, which lease, sale or Mortgage shall be concluded only upon compliance with other provisions of this Declaration, the Association, upon written request of the Owner of such Lot, shall furnish to the proposed lessee, purchaser or Mortgagee, a statement verifying the status of payment of any assessment which shall be due and payable to the Association by the Owner of such Lot; and such statement shall also include, if requested, whether there exists any matter in dispute between the Owners of such Lot and the Association under this Declaration. Such statement shall be executed by any officer of the Association, and any lessee, purchaser or Mortgagee may rely upon such statement in concluding the proposed lease, purchase or Mortgage transaction, and the Association shall be bound by such statement.

In the event that a Lot is to be leased, sold or mortgaged at the time when payment of any assessment against said Lot shall be in default, then the rent, proceeds of such purchase or mortgage shall be applied by the lessee, purchaser or Mortgagee first to payment of any then delinquent assessment or installments thereof due to the Association before payment of any rent, proceeds of purchase or Mortgage to the Owner of any Lot who is responsible for payment of such delinquent assessment.

In any voluntary conveyance of a Lot, the grantee(s) shall be jointly and severally liable with the grantor(s) for all unpaid assessments against the grantor(s) and the Lot made prior to the time of such voluntary conveyance, without prejudice to the

BOOK 4741 PAGE 80

rights of the grantee(s) to recover from the grantor(s) the amounts paid by the grantee(s) therefor.

ARTICLE VI  
REGISTER OF OWNERS AND SUBORDINATION  
OF LIENS TO MORTGAGES

6.01 Register of Owners and Mortgages. The Association shall at all times maintain a register setting forth the names of the Owners, and, in the event of a sale or transfer of any Lot to a third party, the purchaser or transferee shall notify the Association in writing of his interest in such Lot, together with such recording information that shall be pertinent to identify the instrument by which such purchaser or transferee has acquired his interest in any Lot. Further, the Owner shall at all times notify the Association of any Mortgage and the name of the Mortgagee on any Lot, and the recording information which shall be pertinent to identify the Mortgage and Mortgagee. The Mortgagee may, if it so desires, notify the Association of the existence of any Mortgage held by it, and upon receipt of such notice, the Association shall register in its records all pertinent information pertaining to the same. The Association may rely on such register for the purpose of determining the Owners of Lots and holders of Mortgages.

6.02 Subordination of Lien to First Mortgages. The liens provided for in this Declaration shall be subordinate to the lien of a First Mortgage on any Lot if, and only if, all assessments, whether annual or special, with respect to such Lot having a due date on or prior to the date such Mortgage is recorded have been paid. In the event any such First Mortgagee (i.e., one who records a Mortgage on a Lot for which all assessments have been paid prior to recording) shall acquire title to any Lot by virtue of any foreclosure, deed in lieu of foreclosure, or judicial sale, such Mortgagee acquiring title shall only be liable and obligated for assessments, whether annual or special, and the costs of proceedings and attorney's fees as shall accrue and become due and payable for said Lot subsequent to date of acquisition of such title. In the event of the acquisition of title to a Lot by foreclosure, deed in lieu of foreclosure, or judicial sale, any assessments, whether annual or special, and the costs of proceedings and attorney's fees as to which the party so acquiring title shall not be liable shall be absorbed and paid by all Owners as part of the Common Expense; provided, however, nothing contained herein shall be construed as releasing the party or parties liable for such delinquent assessments or costs of proceedings and attorney's fees from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

complainant in writing of its decision and the reasons therefor within ten (10) days of the final adjournment of the hearing. If the decision is not submitted to arbitration within ten (10) days after notice of the decision, as provided for in Section 7.07, the decision shall be final and binding upon the complainant.

7.06 Questions of Law. Legal counsel for the Association shall decide all issues of law arising out of the complaint, and such decisions shall be binding on the complainant.

7.07 Questions of Fact; Arbitration. If there shall be any dispute as to any material fact, either the Grievance Committee or the complainant may, at their option, within ten (10) days after notice of the decision as provided for in Section 7.05, submit the same to arbitration in accordance with the provisions for arbitration adopted by the American Arbitration Association by filing with the other party a notice of its intention to do so. The decision of the arbitrator shall be final and binding upon the complainant and the Grievance Committee. In the event of arbitration, each party shall bear one-half of the expense thereof.

7.08 Exclusive Remedy. The remedy for Owner complaints provided herein shall be exclusive of any other remedy, and no Owner shall bring suit against the Grievance Committee, the Association, the Board of Directors or any member of same in his capacity as such member without first complying with the procedures for complaints herein established.

7.09 Expenses. All expenses incurred by complainant, including, without limitation, attorneys' fees and arbitration expenses and the like, shall be the sole responsibility of complainant. All expenses of the Grievance Committee incident to such complaint shall be deemed a Common Expense of the Association.

#### ARTICLE VIII REMEDIES ON DEFAULT

8.01 Scope. Each Owner shall comply with the provisions of this Declaration, the Bylaws and the Rules and Regulations of the Association as they presently exist or as they may be amended from time to time, and each Owner shall be responsible for the actions of his or her family members, servants, guests, occupants, invitees or agents.

8.02 Grounds for and Form of Relief. Failure to comply with any of the Covenants of this Declaration, the Bylaws, or the Rules and Regulations promulgated by the Board which may be adopted pursuant thereto shall constitute a default and shall entitle the

BOOK 4741 PAGE 83

Developer or the Association to seek relief which may include, without limitation, an action to recover any unpaid assessment, annual or special, together with interest as provided for herein, any sums due for damages, injunctive relief, foreclosure of lien or any combination thereof, and which relief may be sought by the Developer or the Association or, if appropriate and not in conflict with the provisions of this Declaration or the Bylaws, by an aggrieved Owner.

8.03 Recovery of Expenses. In any proceeding arising because of an alleged default by an Owner, the Developer or the Association, if successful, shall, in addition to the relief provided for in Section 8.02, be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be allowed by the court. However, in no event shall the Owner be entitled to such attorneys' fees. The Association is hereby granted a lien upon each Lot and the improvements thereon for payment of such costs and fees. The lien shall become effective upon the initiation of any such proceedings and may be foreclosed as other liens are foreclosed in Tennessee.

8.04 Waiver. The failure of the Developer, the Association or an Owner to enforce any right, provision, covenant or condition which may be granted herein or the receipt or acceptance by the Association of any part payment of an assessment shall not constitute a waiver of any breach of a Covenant, nor shall same constitute a waiver to enforce such Covenant(s) in the future.

8.05 Election of Remedies. All rights, remedies and privileges granted to the Developer, the Association or an Owner or Owners pursuant to any term, provision, covenant or condition of this Declaration or the Bylaws shall be deemed to be cumulative and in addition to any and every other remedy given herein or otherwise existing, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to any such party at law or in equity.

#### ARTICLE IX EMINENT DOMAIN

9.01 Board's Authority. If all or any part of the Common Properties (excluding personalty) is taken or threatened to be taken by Eminent Domain, the Board or the Developer is authorized and directed to proceed as follows:

Each Owner and each First Mortgagee on the records of the Association shall be given reasonable written advance notice of all final offers before acceptance, proposed conveyances, settlements and releases, contemplated by the Developer or the Board, and the institution of legal proceedings, and they shall be given reasonable opportunity to be heard with respect to each of the same and to participate in and be represented by counsel in any litigation and all hearings, at such Owner's or Mortgagee's own expense.

9.03 Reimbursement of Expenses. The Developer and/or Board shall be reimbursed for all attorneys', engineers', architects' and appraisers' fees, and other costs and expenses paid or incurred by it in preparation for, and in connection with, or as a result of, any such taking out of the compensation, if any. **THE BOARD OF DIRECTORS**

5.01 Board of Directors. 5.02 Developer Performs Functions.

(a) The rights, duties and functions of the Board shall be solely exercised by Developer until such time as the Developer has less than five (5) Lots subject to this Declaration or January 1, 2005, whichever shall first occur. The Developer may, in its sole discretion, designate up to five individuals to serve on the Board on behalf of the Developer during the period that the Developer is performing the functions of the Board. Such individuals designated by the Developer need not be Members, and may be removed and replaced by the Developer at will. Upon the first to occur of the events set forth above, the Developer shall call a special meeting of Members to elect Directors to succeed to the positions held by individuals designated by the Developer. Notwithstanding the foregoing, the Developer may at any time prior to the occurrence of the events set forth above release its right to designate one or more of the individuals to serve on the Board by calling a special meeting of Members to elect Directors to succeed to such position or positions and thereafter the Members other than the Developer shall be entitled to elect the individual to fill such position or positions of the Board.

BOOK 4741 PAGE 93

(b) Prior to calling the meeting of the Association to elect a Board to succeed the individuals designated by the Developer, the Developer may execute and record in the Register's Office of Hamilton County, Tennessee a document stating that the Developer reserves unto itself, its successors, or assigns, the rights given to the Board in Article IV of the Declaration (Architectural Control), and stating that said reservation, notice of which is thus provided, shall survive the election of a Board to succeed the Developer. Thereafter, the Developer may continue to exercise the rights thus reserved to it until such time as it has sold all of the Lots in the Development. Upon the sale of all of the Lots in the Development or at such time as the Developer determines to relinquish the rights it has reserved to itself, the Developer shall execute and record in the Register's Office of Hamilton County, Tennessee a document assigning those rights to the Board.

5.03 Election. At each annual meeting, subject to the provisions of Section 5.02 hereof, the Association shall elect those members of the Board as required under Section 5.01 who shall serve the terms set out in Section 5.04; provided, however, the members of the Board elected to succeed the Developer shall be elected at a special meeting duly and specifically called for that purpose by the Developer. The Board elected at that special meeting shall serve until the next annual meeting of the Association held thereafter. BOOK 4741 PAGE 94

5.05 Resignation and Removal. Any member of the Board may resign at any time by giving written notice to the President or the remaining Board members. Any member of the Board may be removed from membership on the Board by the approval of sixty-seven percent (67%) of the votes of those Members of the Association who are in attendance or represented at any annual or special meeting duly called for such purpose, except that a vacancy on the Board shall be deemed to exist in the event of the death of a Board member, the disability of a Board member which, in the opinion of a majority of the members of the Board, renders such Board member incapable of performing Board duties, or in the event a Board member shall cease to be an Member. Whenever there shall occur a vacancy on the Board for any reason, the remaining Board members shall elect a successor member to serve until the next annual meeting of the Association or until a special meeting is called for filling vacancies, at which time said vacancy shall be filled by the Association for the unexpired term, if any.

5.06 Compensation. The members of the Board shall receive no compensation for their services unless expressly authorized for by the Members of the Association, but they shall be reimbursed for reasonable expenses incurred by them in the performance of their duties.

5.07 Powers and Authority of the Board. The Board, for the benefit of the Members of the Association, shall enforce the provisions of the Declaration, these Bylaws, and the Rules and Regulations governing the Common Properties. Subject to any provision herein, the Board shall have the power and authority to acquire and pay for the following, which shall be deemed Common Expenses of the Association:

A. Water, sewer, garbage collection, electrical, telephone and gas and other necessary utility services for the Property.

B. The services of a person or firm to manage its affairs (herein called "Manager"), to the extent deemed advisable by the Board, as well as such other personnel as the Board shall determine shall be necessary or proper for the operation of the Common Properties, whether such personnel are employed directly by the Board or are furnished by the Manager. 5.12 Waiver of Notice. Any members of the Board may, at any time, waive notice of any meeting of the Board in writing, and such waiver shall be deemed equivalent to the giving of such notice. The failure of the Board or its agents to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions in the Declaration or these By-Laws, or the Rules and Regulations or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment, for the future, of such term, covenant, condition or restriction, right, option or notice; but such term, covenant, condition or restriction, right, option or notice shall remain in full force and effect.

**ARTICLE VI**  
**THE ASSOCIATION: MEETINGS, OFFICERS, ETC.**

To the extent now or hereafter permitted by applicable law, the Association shall indemnify and hold harmless any person, his heirs and personal representatives, from and against any and all personal liability, and all expenses, including without limitation counsel fees and court costs, incurred or imposed, or arising out of or in settlement of any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative instituted by any one or more Members or any other persons or entities, to which he shall be or shall be threatened to be made a party by reason of the fact that he is or was a member of the Board or an officer or agent or employee of the Association; provided, in the case of any settlement, that the Board shall have approved the settlement, which approval is not to be unreasonably withheld. Such right of indemnification shall not be deemed exclusive of any other rights to which such person may be entitled as a matter of law or agreement or by vote of the Association of the Board, or otherwise. The indemnification by the Association set forth in this Article VII shall be paid by the Board on behalf of the Association and shall constitute a Common Expense.

No suit shall be brought by one or more but less than all Members on behalf of all Members without approval of a majority of Members and, if approval is obtained, the plaintiffs' expenses, including reasonable counsel's fees and court costs, shall be a Common Expense unless such suit is brought by one or more Members against other Members, the Association or against the Board, the officers, employees, or agents thereof, in their capacities as such, with the result that the ultimate liability asserted would, if proved, be borne by all Members as defendants, in which event the plaintiffs' expenses, including counsel's fees and court costs, shall not be charged as a Common Expense.

7.04 Notice of Suit and Opportunity to Defend. Suits brought against the Association, or the Board, or the officers, employees or agents thereof, in their respective capacities as such, or the Common Properties as a whole, shall be directed to the President of the Association, who shall promptly give written notice thereof to the other members of the Board and any Mortgagees, and shall be defended by the Board, and the Association and all Members shall have no right to participate other than through the Board in such defense.
