A. Additions by Developer. The Developer, its successors and assigns, shall have the right, without further consent of the Association, to bring within the plan and operation of this Declaration additional property in future stages of the Development beyond those described in Exhibit A so long as such additional property is part of or contiguous to the Land or is within one mile of the then existing boundaries of the Development. The additions authorized under this Section shall be made by filing an amendment or supplement to this Declaration with respect to the additional property. If the additional property is being developed as a separate phase, neighborhood, area, or section of the Development, then the applicable supplement or amendment may contain such complementary additions and/or modifications to the Covenants as may be necessary or convenient, in the sole judgment of the Developer, to reflect the different character of the added property.

B. Separate Associations. For any property subjected to this Declaration pursuant to the provisions of this Section, there may be established by the Developer an additional association limited to the Owners and/or residents of such additional property in order to promote their social welfare, including their health, safety, education, culture, comfort and convenience, to elect representatives on the Board of the Association, to receive from the

Any lots or other portions of the Development which are now or hereafter declared to be “community lots,” “common properties,” or “landscape easements” on any plat(s) already or hereafter Recorded in connection with the Development; and any grassy areas located within cul de sacs or other rights of way, even if not designated as community lots or common properties on a recorded plat.

B. Street Lights. Any initially installed street lights within areas designated as public right-of-ways (provided that these may be subjected to maintenance arrangements with the local governmental authority or utility provider).

C. Entrances; Walls; Landscaping. Any entrance signs to the Development as well as any retaining or other walls, landscaped areas, and plantings installed by Developer.

Association and the Board shall be constituted and shall have the power and authority as granted herein and in the Bylaws. Developer shall have the power to control and to act as and on behalf of the Board as provided in the Bylaws.

ARTICLE III
PURPOSES, USES AND RESTRICTIONS

3.01 Common Properties. The Common Properties shall be used to benefit the Owners of Townhome Sites of the Development and to enhance the appearance and liveability of the Development. Developer reserves the right to grant and convey all Common Properties to the Association at such time as Developer determines. The Association is responsible for all costs of owning, operating, maintaining, and replacing the Common Properties. Notwithstanding anything herein to the contrary, if any Owner (or members of his/her family or such Owner's guests or invitees) intentionally, negligently, or accidentally causes damage to any Common Properties, then the Board is authorized to repair the damage and obtain reimbursement for the cost of such repair from such Owner.

3.02 Townhome Site Residential Use.

A. All of the Townhome Sites in the Development shall be used solely for residential purposes. No structure shall be erected, altered, placed or permitted to remain on any Townhome Site other than buildings consisting of attached townhomes, subject to the terms and conditions as herein specified. Townhomes shall not be used as a multiple family dwelling at any time, nor used in whole or in part for any business service or commercial activity where employees, clients, patrons or customers come and go, where commercial deliveries of supplies or equipment are made, or which otherwise is inconsistent with ordinary residential uses; however, "home offices" that do not involve any of the aforesaid listed activities are permissible.

B. "Residential" refers to a mode of occupancy, as used in contradistinction to "business" or "commerce" or "mercantile" activity and, except where otherwise expressly provided, "residential" shall apply to temporary as well as permanent uses, and shall apply to vacant Townhome Sites as well as to buildings constructed thereon.

C. Townhome Sites, or any portion thereof, shall not be used as a means of service to business establishments or adjacent property, including but not limited to supplementary facilities or an intentional passageway or entrance into a business or another tract of land, whether or not a part of the Property, unless specifically consented to by Developer in writing.

3.03 Frontal Appearance. All Townhomes shall have conventional and acceptable exterior appearances.

3.04 Minimum Square Footage. All Townhomes must have a minimum square footage of 1,500 total square feet throughout the Townhome. For the purposes of this section, the stated square footage shall mean the floor area of the finished and heated living area contained within

the residence, exclusive of open or screened porches, garages, steps, and unfinished basements. In the case of any question as to whether a sufficient number of square feet of enclosed living area have been provided, the decision of the Developer or the Board shall be final.

3.05 Building Requirements. The exterior of all Townhomes must be constructed of any of the following: stucco, sand finish or texture, brick or stone masonry, baked-on enamel, wrought iron, copper, wood siding or shingles, or Hardie Plank or equivalent siding. Any other exterior material may be specifically approved by the Developer or the DRC as herein provided. All retaining walls shall be of stone or brick finish or other materials approved by the DRC. All roof overhangs shall be a minimum of 8 inches (except for dormers) and a maximum of 12 inches from the finished face of the exterior wall. All roofs shall have a minimum pitch of 7:12 of front elevation and 6:12 of front-to-back slope. All driveways shall have a minimum width of 10 feet. All roofing material must be architectural quality with a dimensional shingle, asphalt, shakes or slate and must be black, dark grey, weather wood or another color approved by the DRC. All roof stakes and plumbing vents shall be placed on rear roof slopes wherever possible. Metal roofing may be used for porches, bay windows, roof vents, and dormers and must in all events be approved by the DRC.

3.06 Completion of Construction. The exterior of all Townhomes must be completed within 12 months after commencement of site work for the Townhome, except where such completion is impractical or would result in great hardship to the Owner or builder due to strikes, fires, a natural disaster, or national emergency. All construction of the Townhome and other related construction on a Townhome Site must be completed within 18 months from the date of the pouring of the footings for said Townhome.

3.07 Duty to Rebuild or Clear and Landscape Upon Casualty or Destruction. In order to preserve the aesthetic and economical value of all Townhome Sites within the Development, each Owner and Developer (with respect to improved Property owned by Developer) shall have the affirmative duty to rebuild, replace, repair, or clear and landscape, within a reasonable period of time, any building, structure, and improvement or significant vegetation which shall be damaged or destroyed by fire, wind, or other casualty. Variances and waivers of this provision may be made only upon Developer or the Board establishing that the overall purpose of these Covenants would be best effected by allowing such a variation. Any such variance shall not be deemed to be a waiver of the binding effect of this section upon all other Owners.

3.08 Zoning; Set-backs. Whether expressly stated so or not in any deed conveying any one or more of said Townhome Sites, each conveyance shall be subject to existing governmental zoning and subdivision ordinances or regulations in effect thereon. Set-backs in the Development shall be as specified in the applicable local or municipal zoning laws or set back requirements shown on the recorded and filed plat and regulations applicable as of the date of Recording this Declaration; but acknowledging that in order to accommodate the construction of Townhomes, the Development will be zoned and/or permitted as a "zero-lot-line" planned unit development.

3.09 Exterior Townhome Care. For the benefit of the Development, the exterior of all Townhomes must be properly kept and maintained in a condition of appearance and repair that is appropriate and consistent with every other Townhome and that of an up-scale neighborhood.

3.10 Lawn Care. Each Townhome yard shall be sodded with grass unless there exists stable lawn coverage at the time of completing construction of the applicable Townhome. River rock or similar rock/stone materials may be installed alongside yards and property lines as necessary to control, direct, or improve surface drainage. For the benefit of the Development, the Association expects to retain a lawn care/landscaping service, to provide certain basic lawn care services (e.g., mowing, edging, shrub trimming, leaf removal) in a consistent manner across the Development; and to this end, the Association will endeavor to keep lawns and landscaping healthy and manicured, as appropriate for an up-scale neighborhood, including but not limited to keeping shrubs appropriately trimmed and lawns appropriately mowed and free of weeds and debris. If the Association elects to provide lawn care services to the Development, then Owners are not permitted opt out of such services in exchange for reduced assessments. The Association may elect to apply mulch in landscaped areas in front yards periodically. All homes must use the same type of mulch, regardless of whether provided by the Association; and the type of mulch permitted will be approved by the DRC. Notwithstanding the forgoing, lawn care/landscaping services will not enter any fenced portion of a yard; therefore, each Owner is responsible for maintaining any portion of his/her yard that is fenced.

3.11 Unightly Conditions. All the Townhome Sites in the Development must, from the date of purchase, be maintained by the Owner in a neat and orderly condition (grass being cut when needed, as well as leaves, broken limbs, dead trees, and other debris being removed when needed). Tree limbs, rocks and other debris must be kept out of the streets. In the event that an Owner of a Townhome Site in the Development fails, of his own volition, to maintain his Townhome Site or Townhome in a neat and orderly condition or otherwise as required hereunder, Developer, or its duly appointed agent, or the Board, or its duly appointed agent, may enter upon said Townhome Site without liability and proceed to put said Townhome Site into an orderly condition, billing the cost of such work to the Owner.

3.12 Offensive Activity. No noxious or offensive activity (be it offensive as to sight, sound, smell, or otherwise) shall be carried on upon any Townhome Site, nor shall anything be done thereon which may be or may become an annoyance, discomfort, embarrassment or nuisance to the Development or which may disrupt the peaceful and quiet enjoyment of any other Owner.

3.13 [Intentionally Deleted].

3.14 [Intentionally Deleted].

3.15 Mailboxes. All Townhomes in the Development will have access to a cluster mailbox, the location of which is to be determined by Developer.

3.16 Windows. All windows shall be wood or vinyl; provided that clad windows are permitted if such windows have a brick mold surrounding them. Bay windows and box windows must be continuous to the ground and constructed of brick, fiber cement, wood or stucco. Cantilevered bays are prohibited on the front and sides of any Townhome.

3.17 Exterior Lighting; Holiday Decorations. No exterior flood lighting may be attached to any Townhome except for flood lights attached to the rear corners of a Townhome, which must be pointed downward so as not to disturb other Owners. For all other decorative lighting on any Townhome or Townhome Site, Owners must obtain the prior approval of the DRC. Owners also must obtain DRC approval when replacing any exterior lighting fixtures if the replacement fixtures are different from those originally provided with the Townhome by the Developer. If any exterior accent lighting (e.g., low voltage landscaping lighting) is installed either by the Developer or by an Owner, then such lighting must be maintained in good working condition, including replacement of any expended bulbs. If an Owner displays holiday decorations, such decorations are to be timely placed for display and timely removed; to this end, as a general rule (1) decorations celebrating Christmas or Hanukah should not be placed before Thanksgiving and should be removed by January 15th; and (2) for all other holidays, decorations should not be placed more than 2 weeks prior to the holiday and should be removed within 1 week following the holiday.

3.18 Wells. No private wells may be drilled or maintained on any Townhome Site.

3.19 Antennas. Television antennae, dishes, radio receivers or senders, or other similar devices shall not be attached to or installed on the exterior portion of any Townhome or of any other structure, except that eighteen inch satellite dishes shall be permitted provided that the location of such satellite dishes receives the prior written consent of the DRC, which consent shall be granted only if the selected location minimizes the visibility and obtrusiveness of such satellite dish to both the street and other Townhomes; nor shall radio signals, television signals, nor any other form of electromagnetic radiation be permitted to originate from any Townhome Site which may unreasonably interfere with the reception of television or radio signals upon any other Townhome Site. This section shall not prohibit the Developer from installing equipment necessary for a master antenna system, security system, cable television, mobile radio system or other similar systems within the Development.

3.20 Flag Poles. Flag poles are prohibited, except for such flag poles as are displayed from the exterior surface of a Townhome and are not more than five feet in length. The location of any flagpole must be approved by the DRC.

3.21 Laundry. It is prohibited to hang laundry from any area within or outside a Townhome if such laundry is within the public view.

3.22 Signs. It is prohibited to display any sign of any kind from any Townhome Site or from any Common Properties, with the exception of a "For Sale" sign to facilitate the sale of a

Townhome, which shall only be placed in the front yard of the selling Owner. The required specifications for such "For Sale" sign shall be:

- A. 18" high by 24" long
- B. Shall be worded with any or all of the following information:
 - (1) Real Estate Company's name and phone number, and if desired,
 - (2) The individual realtor's name and phone number.

If a Townhome is to be sold personally by the Owner, the "For Sale" sign then shall say "For Sale by Owner" and if desired may also show the Owner's phone number.

3.23 Heating and Air Units and Garbage Receptacles, Tanks. Heating or air conditioning units must be properly screened with evergreen shrubs or fencing approved by the DRC. All garbage and trash containers either must be kept in the garage or must be kept in an enclosure situated in the rear or side yard, which enclosure must be approved by the DRC as to materials, dimensions, and location. Window and/or wall air conditioning units are prohibited. Above ground propane tanks or other such above ground tanks are prohibited.

3.24 Doors, Screen Porches, Patios, Decks, and Repainting of Townhomes. Bright finished or bright plated metal exterior doors, shutters, louvers, or exterior trim are prohibited. All screened enclosures shall be constructed of the same materials as used on the respective Townhome and shall have grey nylon/fiberglass screening. All screened porches, front and side porches, and decks facing a street shall be painted to match the color of the trim or body of the respective Townhome. All decks must be constructed of cedar or pressure treated wood or of a composite material in a natural color as approved by the DRC. All patios must be constructed of concrete, flagstone, or hard material of similar quality. When repainting a house, all portions of every Townhome must be repainted the original colors unless the Owner obtains approval from the DRC for alternative colors (which must be in keeping with the existing colors of the other Townhomes in the Development), which colors shall thereafter be deemed the original colors for purposes of future repainting.

3.25 Sidewalks. Each Owner must maintain the sidewalk in front of its Townhome in good condition and in accordance with all applicable requirements and specifications of Hamilton County, unless maintenance is provided by the Association.

3.26 Fences. Fences are prohibited in the Development, unless approved by the Developer or the DRC as to location, height, design, color, and materials. The DRC may not approve any fences to be situated in front yards. All fences must be constructed of cast aluminum, wrought iron, or other metal (and may not be chain-link, vinyl, wooden, or barbed-wire). All fences must be kept in good condition (and if a fence is not properly maintained, then the Association may require its removal). Any fence that is installed must not be installed in any area or manner that will impede or prevent flowage and drainage of water.

3.27 Driveways. Each Townhome must be served by a driveway constructed of hard surface materials such as concrete. All other hard surface materials must be approved by the DRC. Where a Townhome Site borders on more than one street, the Townhome Site shall be entered from the secondary street. It shall be obligatory upon all Owners to construct or place any driveways, culverts, or other structures, which are within the limits of any dedicated roadways, in strict accordance with the specifications therefor, as set forth on the recorded subdivision plat, in order that the roads or streets which may be affected by such placement or construction will not be disqualified for acceptance into the road system of the applicable local jurisdiction.

3.28 Curbs. No permanent cuts may be made in the curbs for any purpose, other than driveways, without written consent of the DRC. Owners shall repair damaged curbs in front of their respective Townhome Sites, except that if another, identifiable Owner causes damage to a curb, then such Owner shall be responsible for repairing the damage.

3.29 Garages. All Townhomes shall have a minimum of a two-car garage. Single garage doors must be a minimum of 8-feet wide and double garage doors a minimum of 16-feet wide. Garage doors must be panel wood, hard board, or metal paneled.

3.30 Vehicle Parking. Vehicles owned by Owners shall be parked only in the Owner's garage or driveway. Vehicles owned by Owners must be parked in the Owner's garage from sunset to sunrise, unless the Owner has more than two vehicles, in which case all additional vehicles shall be parked in the Owner's driveway. The maximum number of vehicles which an Owner may park at a Townhome Site shall be four, if the Townhome has a two-car garage, or two, if the Townhome has a one-car garage. Vehicles which do not have a visually attractive exterior, are commercial in nature, or otherwise would detract from the overall character of the neighborhood, as determined by the Board in its discretion, must be parked inside garages at all times. Tractor trucks may not be parked in the Development. No inoperable vehicle or other machinery shall be stored on any Townhome Site at any time, even if not visible from the street. No house trailer or other such vehicle shall be stored at a Townhome Site or otherwise in the Development. There shall be no overnight parking of vehicles on the streets of the Development except in the case of overnight houseguests (with notice to the HOA), and then only for periods of not more than one (1) week and only if there is no parking room in the driveway of the Owner. Unauthorized vehicles may be towed at the owner's expense. Owners may not construct or have constructed parking pads or expansions to existing driveways unless they first have obtained approval from the DRC, and any such parking pads or driveway expansions must be contiguous to the existing driveway and provide space for only a single vehicle.

3.31 Detached Buildings. Detached garages, outbuildings, or guest quarters shall not be placed on any Townhome Site without the prior written consent of the DRC. The square footage of such structure shall not be included in complying with the minimum square footage requirements as set forth herein.

3.32 Temporary Structures. No structure of temporary character, including trailers and similar structures, shall be erected or permitted to remain on any Townhome Site except during the period of construction.

3.33 Animals; Dog Houses. The keeping of any sheep, swine, goats, horses, cattle, burros, fowls (excluding household birds such as parrots and parakeets), which are not customarily domestic pets is prohibited. Kennels for the commercial breeding or boarding of domestic pets are prohibited. Townhomes are prohibited from housing more than 3 pets (not including pets that are kept entirely within a container, such as fish). Pet owners shall not allow pets to roam unattended, and pets must be leashed if off their master's Townhome Site. When pet owners are exercising their pets in the neighborhood, owners must pick up and remove all pet waste at the time of the occurrence. Pet owners shall also muzzle any pet which consistently barks. If the barking persists, the pet owner shall have the pet removed from the Development. If the pet owner refuses, it shall be deemed an "offensive activity" under Section 3.12. Dog houses are prohibited unless kept inside a garage or kept in an unobtrusive location on the rear of a Townhome Site with proper screening, and the dog house's location and the associated screening must be approved by the DRC.

3.34 Tree Removal; Tree Planting. No tree of size greater than 2-inch CAL may be removed without approval of the DRC, unless the party removing the tree simultaneously replaces the removed tree with a new tree that is anticipated to grow to a similar "full growth" size; provided that the Developer may remove any and all trees as it deems reasonably necessary. Except for view enhancement, excessive removal of trees will be deemed to be a nuisance to the adjoining neighbors and will mar the beauty of the Development. In order to maintain the consistency and integrity of the streetscaping plan for the Development, Owners may not plant trees in front or side yards without first obtaining the prior approval of the DRC.

3.35 Pools, Play Equipment. Private pools, whether in-ground or above ground, are prohibited at the Development; provided however, hot tubs on decks or patios are allowed. The location and design of all decks and/or patios must be approved by the DRC, which approval shall be conditioned upon of a proper landscaping and screening plan submitted to the DRC. Above ground pools are prohibited. Construction or location of any decorative items such as statues, ornaments, and fountains must be requested in writing and approved by the DRC. The construction, placement, or installation of any playhouses, playsets, swing sets, and similar structures must be approved by the DRC as to location, style, materials, and color, it being an expressed part of this Declaration that the preferred colors for such structures are "natural" so as to minimize attention drawn to them and that the preferred material for such structures is natural stained wood. Non-portable basketball goals are prohibited. Portable basketball goals may not be used in any street or alley or any front yard of a Townhome Site and must be kept inside a garage from sunset to sunrise.

3.36 Sound Devices. No exterior speaker, horn, whistle, bell, or other sound device which is unreasonably loud or annoying, except security devices used exclusively for security purposes, shall be located, used, or placed upon Townhome Sites within the Development. The

playing of loud music from any balconies or porches shall be offensive, obnoxious activity constituting a nuisance.

3.37 Rearrangement of Townhome Site Lines.

A. The division or rearrangement of boundary lines of Townhome Sites by any person or entity other than the Developer shall not increase the total number of Townhome Sites in the Development, and the same shall conform to zoning laws and subdivision regulations in effect thereon.

B. Notwithstanding any other provisions herein to the contrary, Developer reserves unto itself, its successors and assigns, the following rights, privileges and powers: to subdivide Townhome Sites, to combine Townhome Sites or parts of Townhome Sites, to rearrange boundaries of Townhome Sites, to cause any part of any Townhome Site to become a part of the Common Properties, and to cause any Common Property to become a Townhome Site or a part of any of the Townhome Sites bordering it.

3.38 Leasing Requirements. All leasing or rental of any Townhome (or portion of a Townhome) in the Development must comply with these conditions: (i) the lease term must be at least 12 months in duration, (ii) the lease must be for fair market rental, (iii) the lease must be in writing, (iv) the lease must require the tenant/occupant to comply with this Declaration, (v) a leasing arrangement may not be established by way of an online marketing platform, such as “Airbnb.com” or “VRBO.com”, and (v) a copy of the lease must be provided to the Association. All other leasing is prohibited. Each Owner shall be responsible for its tenants and invitees’ compliance with the terms of this Declaration and any reasonable rules and regulations promulgated by the Association from time to time, and each Owner shall be liable to the Association for any violation of same. Each Owner hereby appoints the Association as his/her attorney-in-fact with full right, power, and authority to enforce the terms of the lease against the tenant/occupant (including compliance with this Declaration), if the leasing Owner is failing to so enforce.

ARTICLE IV ARCHITECTURAL CONTROL

4.01 Architectural and Design Review

A. Creation of DRC. In order to preserve, to the extent possible, the natural beauty of the Development and its setting, to maintain a pleasant and desirable environment, to establish and preserve a harmonious design for the Development, to avoid harsh contrasts in the landscape and architectural theme of the Development, and to promote and protect the value of the Townhome Sites, the Association shall have a Design Review Committee which will be charged with reviewing compliance with the architectural, building, and landscaping Covenants herein specified, and developing a body of rules and regulations pertaining to such review, which shall be available for all Owners or prospective Owners. The primary goal of the DRC shall be to review the applications, plans, specifications, materials, and samples submitted for

construction of Townhomes or other structures located in the Development and any additions, alterations, or improvements for all Townhomes, as well as for landscaping plans. The DRC may make periodic inspections during any such construction to review for compliance with the Covenants. In the event of any violation of the Covenants which is not promptly cured upon notice from the DRC of such violation, the DRC shall notify the Board, which then shall proceed to enforce compliance with such Covenants.

B. Authority Relative to Developer. The DRC shall not have any authority to review or to require that it approve or consent to any building plans, designs, or specifications of Townhomes that are being constructed by Developer. Instead, the DRC's authority over any Townhome being constructed by Developer shall not begin until Developer has sold such completed Townhome to a third-party Owner.

C. Authority Generally. All Owners and third-party builders (other than Developer) must obtain DRC written approval in order to (i) construct, add to, modify, or alter any Townhome (limited to the exterior of Townhomes, but including painting, staining, or changing the materials of same), (ii) build, fences, walls, pools, decks, porches, patios, or structures of any type or (iii) materially add to, remove, alter, or modify the landscaping on a Townhome Site, including cutting or removing any trees, shrubs, or landscaping. Furthermore, no grading shall be commenced until the proposed building plans and specifications (including height, and composition of roof, siding, or other exterior materials and finish), Townhome Site plan (showing the proposed location of such building or structure, drives and parking areas), drainage plan, landscape plan or construction schedule, as the case may be, shall have been approved by the DRC. All requests for DRC approval must be submitted at least thirty days prior to the proposed commencement date of construction. The DRC shall endeavor to give written approval or disapproval of the plans within thirty days of submission; provided however, the failure of the DRC to respond to a request for approval within 30 days will not be interpreted as its approval in any circumstance. The DRC may, by written notice given from time to time to the Owners of Townhome Sites, exempt certain matters of a non-essential nature from the review requirements.

D. Purpose. The architectural and design review shall be directed toward preventing excessive or unsightly grading, indiscriminate clearing of property, removal of trees and vegetation which could cause disruption of natural water courses, ensuring that the location and configuration of structures are visually harmonious with the terrain and vegetation of the surrounding property and improvements thereon, and insuring that plans for landscaping provide visually pleasing settings for structures on the same Townhome Site and on adjoining or nearby Townhome Sites.

E. Composition of DRC. The DRC shall consist of the Developer (or its appointees) until the Turnover Date, and thereafter shall be appointed by the Board. Within sixty days of the Turnover Date, the Board shall appoint three persons to make up the DRC. Sitting Board members also may serve on the DRC, but the DRC must have at least 1 member who is not also serving on the Board. The Board shall promptly fill all vacancies to the DRC. The DRC

may adopt rules and bylaws for its own procedural operation as are necessary and convenient, provided however, that such rules and bylaws must be approved by the Board.

4.02 Approval Standards. Approval of the plans and specifications by the DRC is for the mutual benefit of all Owners and is not intended to be, and shall not be construed as, an approval or certification that the plans and specifications are technically sound or correct from an engineering or architectural viewpoint. Each Owner shall be individually responsible for the technical aspect of the plans and specifications.

4.03 Appeals. Any Owner may appeal any decision of the DRC to the Board by written request. The Board shall hear such appeal within twenty-one days of such request and shall decide such appeal within twenty-one days of such hearing. The hearing of any such appeal need not occur at a formally called or convened meeting of the Board.

4.04 Variances. All requests for variances to the Covenants herein contained shall be made in writing to the DRC. The DRC shall, within twenty-one days of such request, make a recommendation to the Board either to approve or to disapprove such variance request. The Board shall issue a final decision on such request for variance within twenty-one days of the DRC's recommendation.

ARTICLE V **ASSESSMENTS**

5.01 Creation of the Lien and Personal Obligation of Assessments. Each Owner, by acceptance of a deed conveying a Townhome Site, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to all of the terms and provisions of the Covenants contained in this Declaration and pay to the Association annual assessments and special assessments as set forth in this Article, such assessments to be established and collected from time to time as hereinafter provided. The Owner of each Townhome Site shall be personally liable, such liability to be joint and several if there are two or more Owners, to the Association for the payment of all assessments, whether annual or special, which may be levied while such party or parties are Owner. The annual and special assessments, together with such interest thereon and costs of collection therefor as hereinafter provided, shall be a charge and continuing lien on the Townhome Site and all of the improvements thereon against which each such assessment is made. Unpaid assessments shall bear interest from due date to date of payment at the rate set by the Board, and said rate can be changed from time to time so that the rate is reasonably related to the economic situation. In the event that two or more Townhome Sites are combined into a single Townhome Site by an Owner, the assessments will continue to be based upon the number of original Townhome Sites purchased.

5.02 Purpose of Assessments. The assessments levied by the Association must be used to promote the recreation, health, safety and welfare of the Owners and for the improvement and maintenance of the Common Properties or the Development generally.

5.03 Amount of Annual Assessment. Developer shall establish, and may adjust from time to time, the amount of the assessments as appropriate for the budgetary needs of the Association, until the Turnover Date. Thereafter, the annual budget for the Association and the amount of the annual assessments shall be set by the Board, subject to any limitations in the Bylaws. Annual assessments may be adjusted more frequently than annually if necessary (whether by Developer or by the Board). **As part of the annual assessment, upon every sale of a Townhome (both the initial sale by Developer and every subsequent sale to a new Owner), the new Owner must pay a one-time initial assessment to the Association, which initial assessment shall be in addition to, not in substitution of, the annual assessment for that year. The initial assessment shall be \$250, but subject to adjustment by the Developer or the Board as provided above. The intent of this Declaration is that such initial assessment would be collected by the closing agent closing the sale on said Townhome and promptly paid to the Association; however, if the initial assessment is not collected at the closing of the Townhome sale, then it must be paid to the Association within sixty (60) days of said closing.**

5.04 Special Assessments for Improvements and Additions. In addition to the annual assessments, the Association may levy special assessments for the purpose of defraying, in whole or in part, unforeseen costs of the Association, such as legal or other professional expenses, or the cost of any construction, reconstruction, repair, or replacement of the Common Properties, including the necessary fixtures and personal property related thereto and capital improvements or additions to the Common Properties. Developer shall establish any special assessments, as necessary for the Association, until the Turnover Date. Thereafter, the Board shall establish any special assessments, subject to limitations in the Bylaws.

5.05 Property Subject to Assessment. Only Townhome Sites subject to this Declaration shall be subject to these assessments. Projected locations for future platted Townhome Sites shown on any master plan for the Development will not be subject to assessment, unless and until such locations are subdivided into Townhome Sites, filed of record, and subjected to this Declaration.

5.06 Exempt Property. No Owner may exempt himself from liability for any assessment levied against his Townhome Site by waiver of the use or enjoyment of any of the Common Properties or by abandonment of his Townhome Site or in any other way. The following property, individuals, partnerships or corporations, subject to this Declaration, shall be exempted from the assessment, charge and lien created herein:

- (a) All Townhome Sites owned by the Developer.
- (b) The grantee of a utility easement.
- (c) All properties dedicated and accepted by a local public authority and devoted to public use.
- (d) All Common Properties.

- (e) All Properties exempted from taxation by the laws of the State of Tennessee, upon the terms and to the extent of such legal exemptions. This exemption shall not include special exemptions, now in force or enacted hereinafter, based upon age, sex, income levels or similar classification of the Owners.

5.07 Date of Commencement of Annual Assessments.

A. Imposition of the annual assessments provided for herein shall commence with the first sale of a Townhome Site.

B. The amount of the first annual assessment on a Townhome Site shall be based pro rata upon the balance of the calendar year and shall become due and payable on the closing of the Townhome Site. The assessments for any year, after the first year, shall become due and payable the first day of January of said year.

C. The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

5.08 Lien. Recognizing that the necessity for providing proper operation and management of the Properties entails the continuing payment of costs and expenses therefor, the Association is hereby granted a lien upon each Townhome Site and the improvements thereon as security for the payment of all assessments against said Townhome Site, now or hereafter assessed, which lien also shall secure all costs and expenses, and reasonable attorney's fees, which may be incurred by the Association in enforcing the lien upon said Townhome Site. The lien shall become effective on a Townhome Site immediately upon the closing of that Townhome Site. The lien granted to the Association may be foreclosed as other liens are foreclosed in the State of Tennessee. Failure by any Owner to pay any assessment, annual or special, on or before the due dates set by the Association for such payment shall constitute a default, and this lien may be foreclosed by the Association. In addition to the foregoing, the Association may record notices of liens separate and apart from this Declaration as further evidence of any amounts due and payable by an Owner hereunder.

5.09 Lease, Sale or Mortgage of Townhome Site. Whenever any Townhome Site may be leased, sold, or mortgaged by the Owner thereof, which lease, sale, or mortgage shall be concluded only upon compliance with other provisions of this Declaration, the Association, upon written request of the Owner of such Townhome Site, shall furnish to the proposed lessee, purchaser, or mortgagee, a statement verifying the status of payment of any assessments payable to the Association by the Owner of such Townhome Site; and such statement also shall include, if requested, whether there exists any matter in dispute between the Owners of such Townhome Site and the Association under this Declaration. Such statement shall be executed by any officer of the Association. Any lessee, purchaser, or mortgagee may rely upon such statement in concluding the proposed lease, purchase, or mortgage transaction, and the Association shall be bound by such statement.

In the event that a Townhome Site is to be leased, sold, or mortgaged at the time when payment of any assessment against said Townhome Site is in default, then the rent or the proceeds of such purchase or mortgage shall be applied by the lessee, purchaser, or mortgagee first to payment of any then delinquent assessment or installments thereof due to the Association before payment of any rent, proceeds of purchase, or mortgage to the Owner of any Townhome Site who is responsible for payment of such delinquent assessment.

In any voluntary conveyance of a Townhome Site, the grantee(s) shall be jointly and severally liable with the grantor(s) for all unpaid assessments levied against the Townhome Site prior to the time of such voluntary conveyance, without prejudice to the rights of the grantee(s) to recover from the grantor(s) any amounts paid by the grantee(s) therefor.

ARTICLE VI
MORTGAGES, MORTGAGEES AND PROCEDURES AND
RIGHTS RELATING THERETO

6.01 Register of Owners and Mortgages. The Association shall at all times maintain a register setting forth the names of the Owners, and, in the event of a sale or transfer of any Townhome Site to a third party, the purchaser or transferee shall notify the Board in writing of his name and his interest in such Townhome Site. Any Mortgagee may, if it so desires, notify the Association of the existence of any Mortgage held by it, and upon receipt of such notice, the Association shall register in its records all pertinent information pertaining to the same.

6.02 Subordination of Lien to First Mortgages. The liens provided for in this Declaration shall be subordinate to the lien of a First Mortgage on any Townhome Site if, and only if, all assessments, whether annual or special, with respect to such Townhome Site having a due date on or prior to the date such Mortgage is Recorded have been paid. In the event any such First Mortgagee (i.e., one who records a Mortgage on a Townhome Site for which all assessments have been paid prior to Recording) shall acquire title to any Townhome Site by virtue of any foreclosure, deed in lieu of foreclosure, or judicial sale, such Mortgagee acquiring title shall only be liable and obligated for assessments, whether annual or special, as shall accrue and become due and payable for said Townhome Site subsequent to date of acquisition of such title. In the event of the acquisition of title to a Townhome Site by foreclosure, deed in lieu of foreclosure, or judicial sale, any assessments, whether annual or special, as to which the party so acquiring title shall not be liable shall be absorbed and paid by all Owners as part of the Common Expense; provided, however, nothing contained herein shall be construed as releasing the party or parties liable for such delinquent assessments from the payment thereof or the enforcement of collection of such payment by means other than foreclosure.

6.03 Amendments. Amendments to this Declaration do not require joinder in execution by Mortgagees. However, the rights of any First Mortgagees shall not be adversely affected by any amendment to this Declaration which is Recorded after the applicable First Mortgage unless such amendment is approved by the applicable Mortgagee.

6.04 Extension of Benefits to Other Mortgagees. By subordination agreement executed by a majority of the Board, the benefits of Sections 6.02 and 6.03 of this Article may be extended to Mortgagees not otherwise entitled thereto.

6.05 Mortgagees' Approval of Certain Actions. Unless at least two-thirds of the First Mortgagees of which the Association has been notified in accordance with Section 6.01 (based upon one vote for each First Mortgage owned) have given their prior written approval in accordance with and within the time periods set out in Section 6.03, the Association shall not be entitled to:

A. By act or omission seek to abandon, sell, or transfer the Common Properties; or

B. Use hazard insurance proceeds for losses to any Common Properties for other than the repair, replacement or reconstruction of such Common Properties.

6.06 Notice of Default to First Mortgagees. If requested by a First Mortgagee, the Association shall notify each First Mortgagee of any default by the Mortgagor of a Townhome Site in the performance of said Mortgagor's obligations under this Declaration which is not cured within sixty (60) days.

6.07 Examination of Books. Each Mortgagee shall be permitted to examine the books and records of the Board and Association during regular business hours.

ARTICLE VII **OWNER COMPLAINTS**

7.01 Scope. The procedures set forth below shall be the sole and exclusive process Owners to challenge or dispute any decisions, actions or omissions of the Board or the Association, regarding any matter arising under this Declaration.

7.02 Grievance Committee. Until the Turnover Date, the Grievance Committee shall consist of Developer (or its appointees). After the Turnover Date, the Grievance Committee shall be composed of the President of the Association or his appointee and two other Owners appointed annually by and serving at the pleasure of the Board of Directors, but who shall not also be members of the Board.

7.03 Form of Complaint. All complaints shall be in writing and shall set forth the substance of the complaint and the facts upon which it is based. Complaints are to be addressed to the President of the Association and sent in the manner provided herein for sending notices.

7.04 Consideration by the Committee. Within twenty days of receipt of a complaint, the Grievance Committee shall consider the merits of same and notify the complainant in writing of its decision and the reasons therefor. Within ten days after notice of the decision, the

complainant may proceed under Section 7.05; but if complainant does not, the decision of the Grievance Committee shall be final and binding upon the complainant.

7.05 Hearing Before the Committee. Within ten days after notice of the decision of the Grievance Committee, the complainant may, in a writing addressed to the President of the Association, request a hearing before the Grievance Committee. Such hearing shall be held within twenty days of receipt of complainant's request. The complainant, at his expense, and the Grievance Committee, at the expense of the Association, shall be entitled to legal representation at such hearing. The hearing shall be conducted before at least two members of the Grievance Committee and may be adjourned from time to time as the Grievance Committee in its discretion deems necessary or advisable. The Grievance Committee shall render its decision and notify the complainant in writing of its decision and the reasons therefor within ten days of the final adjournment of the hearing. If the decision is not submitted to arbitration within ten days after notice of the decision, as provided for below, then the decision shall be final and binding upon the complainant.

7.06 First Remedy. The process for Owner complaints provided herein shall be exhausted prior to resorting to any other remedy, and no Owner shall initiate an arbitration or any other proceeding against the Grievance Committee, the Association, or the Board without first complying with the procedures for complaints herein established.

7.07 Arbitration. If, after the above process has concluded, a complainant Owner believes that the outcome is not the correct application of this Declaration or applicable law, then such Owner may submit the matter to arbitration, as the sole and exclusive process for challenging the aforesaid outcome, by sending written notice of such submission to the Board with ten days after the rendering of the decision in Section 7.05. All arbitration proceedings shall be conducted in accordance with the AAA Rules. The arbitration will be conducted in Hamilton County, Tennessee, and shall be submitted to a single arbitrator, who shall be an attorney licensed to practice law in the State of Tennessee. The arbitrator must be mutually agreed to by the parties; provided however, if the parties are unable to agree on a single arbitrator within twenty-one days of the complainant Owner having provided notice of arbitration, then each party shall identify its preferred arbitrator, and the two arbitrators so identified shall select a third party to be the arbitrator in the matter. The Parties agree that, even if pre-arbitration discovery is permitted under applicable law, there shall be no such discovery in the arbitration except as permitted under the Exchange of Information rule set forth in the AAA Rules. The arbitrator shall issue a written award stating the bases of the award and including findings of fact and conclusions of law. The award rendered by the arbitrator shall be final and binding, and judgment may be entered upon it and enforced. Fees and expenses, including without limitation reasonable attorneys' fees and dispute resolution costs, of the arbitration shall be assessed to the parties in accordance with the AAA Rules.

7.08 Expenses. All expenses incurred by complainant in the course of the procedures set forth in this Article, including, without limitation, attorneys' fees and arbitration expenses

and the like, shall be the sole responsibility of complainant. All expenses of the Grievance Committee incident to such complaint shall be deemed a Common Expense of the Association.

ARTICLE VIII **REMEDIES ON DEFAULT**

8.01 Scope. Each Owner shall comply with the provisions of this Declaration, the Bylaws and the Rules and Regulations of the Association as they presently exist or as they may be amended from time to time, and each Owner shall be responsible for the actions of his or her family members, servants, guests, occupants, invitees or agents.

8.02 Grounds for and Form of Relief. Failure to comply with any of the Covenants of this Declaration, the Bylaws, or the Rules and Regulations promulgated by the Board which may be adopted pursuant thereto shall constitute a default and shall entitle the Association to seek relief which may include, without limitation, an action to recover any unpaid assessment, annual or special, together with interest as provided for herein, any sums due for damages, injunctive relief, foreclosure of lien or any combination thereof, and which relief may be sought by the Association or, if appropriate and not in conflict with the provisions of this Declaration or the Bylaws, by an aggrieved Owner.

8.03 Recovery of Expenses. In any proceeding arising because of an alleged default by an Owner, the Association, if successful, shall, in addition to the relief provided for in this Article, be entitled to recover the costs of the proceeding and such reasonable attorneys' fees as may be allowed by the court, but in no event shall the defaulting or allegedly defaulting Owner be entitled to such attorneys' fees.

8.04 Waiver. The failure of the Association or of an Owner to enforce any right, provision, covenant or condition which may be granted herein or the receipt or acceptance by the Association of any part payment of an assessment shall not constitute a waiver of any breach of a Covenant, nor shall same constitute a waiver to enforce such Covenant(s) in the future.

8.05 Election of Remedies. All rights, remedies and privileges granted to the Association or an Owner or Owners pursuant to any term, provision, covenant or condition of this Declaration or the Bylaws shall be deemed to be cumulative and in addition to any and every other remedy given herein or otherwise existing, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party thus exercising the same from exercising such other and additional rights, remedies or privileges as may be available to any such party at law or in equity.

8.06 Violations and Enforcement; Fines.

A. General. In the event of the violation, or attempted violation, of any one or more of the provisions of these Covenants, the Developer, its successors or assigns, or the Association, its successors or assigns, including the Board acting on behalf of the Association, or any party hereinafter becoming Owners of any one or more of the Townhome Sites to which

provisions of these Covenants apply, may bring an action or actions against the Owner in violation, or attempting violation, and the said violating Owner shall be subject to such equitable, injunctive, or declaratory relief as necessary to enforce the terms of this Declaration and shall be further liable for such damages as may accrue, including any court costs and reasonable attorneys' fees incident to any such proceeding. In the event of a violation of set-back lines, side, rear or front, which may be minor in character, a waiver thereof may be made by the Developer, its successors or assigns or the Board. Further, the Developer or the Board may grant variances of the restrictions set forth in these Covenants (but not including the reduction of the minimum square footage requirements as set forth herein), if such variances do not, in the sole discretion of the Developer or the Board, adversely affect the purposes sought to be obtained hereby.

B. Fines. In addition to all other rights, remedies, and privileges granted to the Association herein for the enforcement of this Declaration, the Association hereby authorizes the Board to assess, impose and collect monetary fines against Owners who violate or fail to comply with their duties under this Declaration, the Bylaws, or the Rules and Regulations of the Association, as same may be amended from time to time. Such fines shall not exceed the sum of the amount of the annual assessment then in effect for the Development, per instance of violation or noncompliance. Prior to assessing any fine, the Board shall give to the violating Owner written notice of the violation or noncompliance and shall allow the Owner fifteen days from the date the Board sends such notice to cure the violation or noncompliance, or if a cure cannot be reasonably completed within such fifteen days, then the Owner will be allowed such additional time as is reasonably necessary to complete cure so long as the Owner commences cure within the initial fifteen day period and diligently pursues cure to its end. Notwithstanding the foregoing, the Board is not required to provide either written notice of or an opportunity to cure a violation or noncompliance (and the Board may immediately impose and assess a fine) if within one year of receiving written notice of a violation or noncompliance, an Owner commits a second violation or noncompliance that is similar in kind. All fines imposed and assessed by the Board shall be deemed part of an Owner's assessment against his/her Townhome Site, shall benefit from the provisions herein pertaining to assessments, and until paid shall be and become a lien against such Townhome Site, enforceable in accordance with the provisions of this Declaration and the Bylaws pertaining to assessments, including but not limited to the right to record a notice of lien encumbering the Townhome Site and to collect the amounts due by enforcing the lien through foreclosure or otherwise. The Board shall be entitled to use its business judgment in determining which instances of violation or noncompliance merit assessment of a fine, and the Board's failure to assess a fine in any particular instance of violation or noncompliance shall not undermine the general enforceability of this provision and shall not constitute a waiver of any future or other instances of violation of or noncompliance with this Declaration.

ARTICLE IX **TOWNHOMES; UTILITY EASEMENTS**

9.01 Townhomes; Utility Easements.

A. Exterior. All exterior architectural and aesthetic elements and characteristics of the Townhomes in the Development shall remain unchanged from their appearance as initially constructed, so as to preserve the continuity and uniformity of the Townhomes, except as permitted in accordance with Section 9.02 hereof.

B. Easements. Developer hereby declares and establishes a perpetual utility easement under and across the Townhome Sites for the exclusive and mutual benefit of each of the Townhome Sites (the "Utility Easement"), located as a twenty-five (25) foot strip along the front lot line of each Townhome Site (parallel to the public right of way) (the "Utility Easement Area"), subject to the provisions of this Declaration. The Utility Easement shall be for the purpose of installing, housing, operating, maintaining, and repairing underground utility facilities serving the Townhome constructed, and for no other purpose. Each Owner shall pay all real estate taxes assessed against the portion of the Utility Easement that is part of his or her Townhome Site.

C. Maintenance. The cost of any maintenance and repair to any utility facilities serving a particular Townhome shall be the responsibility of the owner of the Townhome so served; furthermore, in the course of performing any necessary maintenance and repair, if the responsible Owner must dig into the yard or otherwise damage the property of another Townhome Site Owner, then such responsible Owner shall be required to restore the other Owner's property to the condition prior to the commencement of such maintenance. Any maintenance and repair to utility facilities which service more than one Townhome shall be equally shared by the owners of the Townhomes so served, including the responsibility for restoring other impacted property.

D. No Improvements in Easement Area. The owners of the Townhome Sites will not construct, or allow others to construct, any buildings, structures, or other above-ground improvements within the Utility Easement Area, other than surface improvements such as landscaping and similar amenities which do not materially interfere with access to the utilities within the Utility Easement Area.

9.02 Maintenance.

A. Coordinated Maintenance – General Rule. In order to maintain common aesthetics and uniform construction, the following maintenance and repair tasks must be performed contemporaneously and in unison on any Townhomes in a single, contiguous building:

- (1) Roof repair or replacement,
- (2) Gutter repair or replacement, and
- (3) Exterior painting.

These items (1)-(3) hereinabove are collectively the "Work". The decision of whether and when to perform any Work, the selection of contractors/vendors to perform such Work, and the accepted cost of any Work shall be determined by a majority vote of the Owners who own a Townhome in the single, contiguous building(s) on which the Work is to be performed (with each Townhome Site having only one vote), and each such Townhome Site Owner is obligated to pay its share of the cost of the Work performed whether or not such Townhome Site Owner voted in favor or against any of the matters voted upon; provided, however, there shall not be a material change (either upgrade or downgrade) in the quality or type of materials used (or color, in the case of painting) in any Work, unless such change is unanimously approved by the Townhome Site Owners who own a Townhome in the single, contiguous building(s) on which the Work is to be performed. With respect to Work performed on Townhomes constituting a single, contiguous building, the costs for any Work ordinarily will be shared amongst the affected Townhome Site Owners based on the following percentages: (i) in the case of 3-Townhome buildings, 36.5% of the cost paid by each of the Townhome Site Owners owning Townhomes that are "end unit" Townhomes, and 27% of the cost paid by the Townhome Site Owner owning the Townhome situated between the two end-unit Townhomes; and (ii) in the case of 2-Townhome buildings, the costs will be shared equally; provided however, if the contractor performing any Work can easily quote the cost of such Work, using its normal pricing methods, in a manner that allocates the total cost of the Work amongst the individual Townhome Site Owners, then the contractor may elect to price the Work in that manner. Regardless of whether the cost of any Work is allocated by using the percentages stated above or by a pricing allocation provided by the contractor, each Townhome Site Owner will pay the amount that is allocated to his/her Townhome Site. The costs of performing any Work shall be deemed an assessment against the Townhomes Sites, and any Townhome Site Owner that does not pay his share of the costs shall be subject to having a lien placed against his Townhome Site by the other Owners.

B. Exceptions to the General Rule. Notwithstanding the requirements of this Section 9.02, Work shall not be required to be performed contemporaneously on all Townhomes in the following circumstances:

(1) In the event of a casualty that causes damage to one or more, but less than all, of the Townhomes, such that Work is required only for the Townhomes so damaged, then the unaffected Townhomes shall not be required to participate in performing any Work, so long as Work on the Townhomes that are damaged reasonably can be performed in a way that reflects the common aesthetics and construction of all the Townhomes.

(2) If any Work needed on a particular Townhome is minor enough that it can be performed in a way that does not impair, disrupt, or conflict with the common aesthetics and construction of all the Townhomes (for example, touch-up painting, repair of minor roof leaks), then such Work may be performed by a Townhome Site Owner independently from the other Townhome Site Owners.

10.03 Reimbursement of Expenses. The Board shall be reimbursed for all attorneys', engineers', architects' and appraisers' fees, and other costs and expenses paid or incurred by it in preparation for, and in connection with, or as a result of, any such taking out of the compensation, if any. To the extent that the expenses exceed the compensation received, such expenses shall be deemed a Common Expense.

BYLAWS FOR
NESTLEDOWN TOWNHOME OWNERS ASSOCIATION, INC.

ARTICLE I
NAME

The following provisions shall constitute the Bylaws of **NESTLEDOWN TOWNHOME OWNERS ASSOCIATION, INC.** (the "Bylaws"), (the "Association") which shall, along with the provisions of the Declaration of Covenants and Restrictions for Nestledown Townhomes (the "Declaration") and the rules and regulations adopted by the Board of Directors of the Association (the "Board"), govern the administration of Nestledown Townhomes, a residential development (the "Development"). The terms in these Bylaws (unless otherwise defined) shall have the same meaning as the terms defined in the Declaration for this Development. These Bylaws are adopted by the Directors of the Association, appointed by Pratt & Associates, LLC ("Developer"), acting as and for the Board and the Association, in conjunction with recording the Declaration in the Register's Office of Hamilton County, Tennessee. Capitalized terms in these Bylaws which are not given expressly a definition herein shall have the meanings ascribed to them in the Declaration.

ARTICLE II
OFFICES

The principal office of the Association in the State of Tennessee shall be located at:

Nestledown Townhomes Owners Association, Inc.
Attention: James Pratt
1734 Dayton Blvd.
Chattanooga, TN 37405

Or at such other place either within or without the State of Tennessee, as shall be lawfully designated by the Association, or as the affairs of the Association may require from time to time.

ARTICLE III
PURPOSES

The purposes of this Association shall be to provide for the establishment of a townhome owners' association for the government of the Development in the manner provided by the Declaration, these Bylaws and in its Charter (the "Charter"). The aims of this Association are to be carried out through any and all lawful activities, including others not specifically stated in the Declaration, the Charter or these Bylaws but incidental to the stated aims and purposes; provided that any such activity or contribution shall conform to any applicable restrictions or limitations set forth in the Charter or which are imposed on real estate homeowners' associations by the Internal Revenue Code of 1986 and the regulations thereunder, as presently enacted or as they may hereafter be amended or supplemented. All present or future Owners or guests, or any other person who might use the facilities on the Development in any manner, shall be subject to the covenants, provisions or regulations contained in the Declaration and these Bylaws, as amended,

and shall be subject to any restriction, condition or regulation hereafter adopted by the Association.

ARTICLE IV **ASSOCIATION**

4.01 Membership. The Developer and every person or entity who is an Owner of Record of a fee simple interest or an undivided fee simple interest of at least fifty percent (50%) in any Townhome Site which is subject to the Declaration shall be a Member of the Association, provided that any such person or entity who holds such title or interest merely as a security for the performance of an obligation shall not be a Member of the Association. Membership shall be automatically transferred to the new Owner upon the conveyance of any Townhome Site and recording of the Deed of conveyance in the Register's Office of Hamilton County, Tennessee. Membership shall be appurtenant to and may not be separated from ownership of any Townhome Site which is subject to assessment.

4.02 Voting Rights. Until the Turnover Date, Developer shall be the only member of the Association with voting rights; provided however, Developer may choose to delegate such voting and authority to the Owners as it deems beneficial for the Development. After the Turnover Date, the Association shall have one (1) class of voting membership, and Members shall be entitled to one (1) vote for each Townhome Site in which they hold the interest required for membership by Section 4.01. When more than one (1) person holds such interest or interests in any Townhome Site, all such persons shall be Members, and the vote for such Townhome Site shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any such Townhome Site. When one (1) or more co-owners signs a proxy or purports to vote for his or her co-owners, such vote shall be counted unless one (1) or more of the other co-owners is present and objects to such vote, or if not present, submits a proxy or objects in a written instrument delivered to the Secretary of the Association before the vote is counted. If co-owners disagree as to the vote, the vote shall not be counted. The Developer shall be entitled to one (1) vote for each Townhome Site owned by it.

ARTICLE V **THE BOARD OF DIRECTORS**

5.01 Board of Directors. Subject to Section 5.02 of this Article herein below, the administration of the Property on behalf of the Association shall be conducted by a Board of Directors ("Board") which shall consist of 3 natural persons of legal age, each of whom shall be an Owner or the nominee of an entity (other than a natural person) which is an Owner, at all times during membership on the Board.

5.02 Developer Performs Functions.

A. The rights, duties and functions of the Board and the DRC (as defined in the Declaration) shall be exercised solely by Developer until such time as the Developer calls special meetings of the Association to elect members of the Board as herein provided. The

Developer may, in its sole discretion, designate up to 3 individuals to act as the Board on behalf of the Developer during the period that the Developer is performing the functions of the Board. Such individuals designated by the Developer need not be Owners, and they may be removed and replaced by the Developer at will. The Developer may also limit the scope of authority of such individuals. Developer shall call a special meeting of the Association within sixty (60) days following the sale of fifty percent (50%) of the Townhome Sites in the Development, and at such special meeting, the Owners then making up the Association (including the Developer to the extent it owns Townhome Sites) shall elect one (1) person to serve on the Board, and the Developer shall continue to serve in place of or to appoint the remaining two (2) members of the Board. After selling the last Townhome Site in the Development Developer shall remain on the Board until the next regularly scheduled annual meeting of the Association, at which annual meeting Developer (or its appointees) shall step down from the Board, and all 3 Board positions then shall be open for election by the Association in accordance with Sections 5.03 and 5.04 below, thus creating the first Board consisting entirely of persons other than the Developer (or its appointees).

B. The Developer shall exercise all powers of the DRC (as defined in the Declaration) until a Board consisting entirely of persons other than the Developer (or its appointees) has been elected by the Association in accordance with these Bylaws, which Board shall then appoint the members of the DRC in accordance with these Bylaws.

5.03 Election. At each annual meeting, subject to the provisions of Section 5.02 hereof, the Association shall elect those members of the Board as required under Section 5.01 who shall serve the terms set out in Section 5.04; provided, however, the members of the Board elected to join the Developer as provided in Section 5.02 shall be elected at special meetings duly called and specifically called for that purpose by Developer. At least thirty (30) days prior to any annual meeting of the Association, the Board shall appoint an Association Nominating Committee of not less than three (3) Owners (not more than one of whom shall be a member of the then current Board) which shall recommend to the annual meeting one nominee for each position on the Board to be filled at that particular annual meeting. Nomination for a position on the Board may also be made by petition filed with the Secretary of the Association at least seven (7) days prior to the annual meeting of the Association, which petition shall be signed by ten (10) or more Owners and by the nominee named therein indicating his or her willingness to serve as a member of the Board, if elected.

5.04 Term. Members of the Board shall serve for a term of three (3) years; provided, however, that (i) prior to the Turnover Date, Board members shall serve until the first regularly scheduled annual meeting of the Association following the Developer's sale of the last Townhome Site, and (ii) at the first annual meeting of the Association following Developer's sale of the last Townhome Site, when all three (3) Board positions shall be open for election, one (1) member elected to such first Board shall be designated to serve a term of one (1) year, one (1) member elected to such first Board shall be designated to serve a term of two (2) years, and one (1) member elected to such first Board shall be designated to serve a term of three (3) years. Thereafter, all Board members elected each year shall serve for a term of three (3) years. The

members of the Board shall serve until their respective successors are duly elected and qualified, or until their death, resignation or removal.

5.05 Resignation and Removal. Any member of the Board may resign at any time by giving written notice to the President, the remaining Board members or the Manager. Any member of the Board (other than the Developer or its appointees) may be removed from membership on the Board by a two-thirds (2/3rds) majority affirmative vote of those members of the Association who are in attendance or represented by proxy at an annual or special meeting duly called for such purpose, except that a vacancy on the Board shall be deemed to exist in the event of the death of a member, the disability of a member which, in the opinion of a majority of the Board, renders such member incapable of performing Board duties, or in the event a member shall cease to be an Owner. Whenever there shall occur a vacancy on the Board for any reason, the remaining members shall elect a successor member to serve until the next annual meeting of the Association or until a special meeting is called for filling vacancies, at which time said vacancy shall be filled by the Association for the unexpired term, if any.

5.06 Compensation. The members of the Board shall receive no compensation for their services unless expressly provided for by the Association but shall be reimbursed for reasonable expenses incurred by them in the performance of their duties.

5.07 Powers and Authority of the Board. The Board, for the benefit of the Property and the Association, shall enforce the provisions of the Declaration, these Bylaws, and the Rules and Regulations governing the Property. Subject to any provision herein, the Board shall have the power and authority to acquire and pay for the following, which shall be deemed Common Expenses of the Association:

A. Water, sewer, garbage collection, electrical, telephone and gas and other necessary utility services for the Common Properties.

B. The services of a person or firm to manage its affairs (herein called "Manager"), to the extent deemed advisable by the Board, as well as such other personnel as the Board shall determine shall be necessary or proper for the operation of the Property, whether such personnel are employed directly by the Board or are furnished by the Manager. All persons employed to manage or assist in the management or maintenance of the Property shall be employed at the will of the Board; provided that a Manager may be employed for successive periods not exceeding a three (3) year term in each period. The Board may delegate any of its duties, powers or functions relating to the daily administrative affairs of the Association to any person or firm designated by the Board to act as Manager.

C. The services of a person or firm to provide security for the Development to the extent and in such manner (fixed or roving or a combination thereof) as allowed by law and as determined by the Board to be necessary or proper.

D. Legal and accounting services necessary or advisable in the operation of the Property and the enforcement of this Declaration, these Bylaws, and any Rules and Regulations made pursuant thereto.

E. Officers and Directors Liability Insurance covering the Officers and Directors of the Association acting in such capacity.

F. A fidelity bond naming the Manager, and such other persons as may be designated by the Board as principals and the Board, Association and Owners as obligees, in an amount to be determined from time to time by the Board.

G. Painting, maintenance, repair, replacement and landscaping of the Common Properties. The Board shall also have the exclusive right from time to time to acquire and dispose of by sale or otherwise and without the necessity of approval by any Owner, furnishings and equipment and other personal property for the Common Properties and to provide maintenance, repair and replacement thereof.

H. Any other materials, supplies, labor, services, maintenance, repairs, structural alterations, insurance, taxes or assessments that the Board is required to secure or pay for pursuant to the terms of the Declaration, these Bylaws or any Rules or Regulations promulgated hereunder or which, in its opinion, shall be necessary or advisable for the operation of the Property or for the enforcement of the Declaration, these Bylaws, or the Rules and Regulations.

The Board shall have the exclusive right to contract for all goods, services, including security personnel, and insurance, payment for which is to be made a Common Expense. The provision shall not be construed to prohibit the Board from delegating such authority to the Manager as it deems proper.

5.08 Additional Powers of the Board; Budgetary Responsibility. The Board shall have the right to acquire, operate, lease, manage, mortgage and otherwise trade and deal with the Common Properties as may be necessary or convenient in the operation and management of the Common Properties, and in accomplishing the purposes set forth herein. The Board or any managing agent or entity designated by the Board shall be deemed the agents of the Owners and as such shall manage, maintain and improve the Common Properties and also collect, conserve, allocate and expend money received from the Owners in a manner consistent with such agent's relationship and in conformity with this Declaration, these Bylaws and the Rules and Regulations. The Board shall have the responsibility to establish and adopt the annual budget for the Association at the Association's annual meeting or at a special meeting called in accordance with the Association's fiscal year and to support such annual budget by establishing assessments to be contributed by Owners (subject to the provisions of Article V of the Declaration); provided however, that following the Turnover Date, (A) the Board may not increase the Association's annual budget for any given year in an amount in excess of ten percent (10%) of the prior year's annual budget without first obtaining the affirmative vote of not less and two-thirds (2/3rds) of those members of the Association who are present or represented at the annual meeting, and (B)

the Board shall not authorize structural alterations or capital additions to the Common Properties which require an expenditure in excess of Ten Thousand Dollars (\$10,000.00) without approval of a majority vote of those Members who are present or represented by proxy at any annual or special meeting of the Association, or in excess of Twenty Thousand Dollars (\$20,000.00) without approval of two-thirds (2/3rds) of the vote of those Members who are present or represented by proxy at any annual or special meeting of the Association; provided however, that the Board shall have the power to make any repairs to and to undertake maintenance of an urgent nature on the Common Properties as may be necessary, in the Board's reasonable judgment, to preserve or maintain the integrity thereof without obtaining such approval.

5.09 Meetings of the Board. Meetings of the Board shall be held at such places within or without the State of Tennessee as the Board shall determine. Two (2) members of the Board shall constitute a quorum, and if a quorum is present, the decision of a majority of those present shall be the act of the Board. Meetings of the Board shall be chaired by the President of the Association and the minutes shall be recorded by the Secretary of the Association, whether said Secretary is a member of the Board or not. The Board shall annually elect all of the officers set forth in Section 6.05 hereof. The meeting for the election of officers shall be held at a meeting of the Board to be held immediately following the annual meeting of the Association. Any action required to be or which may be taken by the Board may be taken without a meeting of the Board pursuant to a written consent, setting forth the action so taken, signed by all members of the Board.

5.10 Special Meetings. Special meetings of the Board may be called by the President of the Association or by any two Board members.

5.11 Notice of Meetings. Regular meetings of the Board may be held without call or notice. The person or persons calling a special meeting of the Board shall, at least ten (10) days before the meeting, give notice thereof by any usual means of communication. Such notice need not specify the purpose for which the meeting is called. If an agenda is prepared for such a meeting, the meeting need not be restricted to discussions of those items listed on the agenda.

5.12 Waiver of Notice. Any members of the Board may, at any time, waive notice of any meeting of the Board in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board at any meeting thereof shall constitute a waiver of notice of such meeting unless a Board member attends the meeting for the express purpose of objecting to the transaction of any business because the meeting was not lawfully called and does so object by delivering a written document to that effect.

5.13 Notice of Election. After the election of the Board, the Secretary of the Association shall execute and, where desirable, acknowledge and record a certificate stating the names of all of the members of the then Board, provided, that, in the event of the disability or other incapacity of the Secretary, the President of the Association shall be empowered to execute the aforesaid certificate. The Board may also rescind any such resolution by a further resolution duly adopted. Except as otherwise specifically provided in this Declaration or these Bylaws, a Committee may give its recommendations to the Board for further action, but no Committee may make decisions or take any actions affecting the rights of Owners. Such Committee or Committees shall have such name or names as may be determined from time to time by the Board. Such Committees shall keep regular minutes of their proceedings and report the same to the Board when required. The Board may appoint Owners to fill vacancies on Committees.

The Board shall have the power and right to adopt and amend rules and regulations for the purpose of governing the details of the operation and use of the Common Properties, setting forth restrictions on, and requirements respecting the use and maintenance of the Common Properties, and otherwise establishing rules and codes of conduct for the Development. Copies of the Rules and Regulations shall be furnished to each Owner prior to the time the same shall become effective.

5.17 Failure to Insist on Strict Performance Not Waiver. The failure of the Board or its agents to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions in the Declaration or these By-Laws, or the Rules and Regulations or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment, for the future, of such term, covenant, condition or restriction, right, option or notice; but such term, covenant, condition or restriction, right, option or notice shall remain in full force and effect.
